Grand Master's Address

The Grand Master delivered the following address, which was referred to the Board of General Purposes:

Brethren of the Grand Lodge:

It is my privilege as your Grand Master, and also my great pleasure, to welcome you to this the 136th annual communication of The Grand Lodge, A. F. & A. M., of North Carolina. Our state is to be congratulated upon having within it such an Institution, of which you are the distinguished representatives. Let us all hope and strive to accomplish more for our fellow-men and become a greater power for good.

Of all the Grand Masters who have served you, none felt more elated and appreciative than I when you elected me, nor has one of them realized more than I the tremendous responsibility of the exalted position and my incapacity to equal the accomplishments of the able and distinguished men who have preceded me in this, I consider, the most coveted honor in our Great State.

The great assistance given me by the Past Grand Masters, my Fellow Grand Lodge Officers, our efficient Grand Secretary, and all members of the Craft, is gratefully appreciated, and additional thanks to each are hereby formally given.

The Angel of Death has been active in the Grand Jurisdiction during the year, and many sterling Craftsmen have been called from our midst to the Celestial Lodge above, and among them our greatly beloved Past Grand Master John W. Cotten, and Grand Pursuivant Robert M. Oates. The Committee on Necrology will pay fitting tribute to the memory of these Brethren, and to those of other Grand Jurisdictions who have laid down forever the working tools of life.

During the year several Special Communications of the Grand Lodge have been held for the purpose of laying corner stones. A minute of these several communications will appear in the Grand Lodge Proceedings 1923.

During the year dispensations have been granted for the establishment of new Lodges under dispensation as follows:

Black River in Harnett County.
John C. Britton in Bertie County.
Elberta in Moore County.
Fleetwood in Ashe County.
Banners Elk in Avery County.
Guilford in Guilford County.
Keller Memorial in Rowan County.
Beulaville in Duplin County.

Before recommending charters for these Lodges, I hope the committee will require the proficiency certificates demanded with the dispensations. All the above applications had conformed to the requirement of the Code, but I fear many of them have little prospect of advancing Masonry, and I recommend that in future at least 25 members be the minimum for establishing a new Lodge, and that the fees be increased. It is detrimental to the Order to start new (and weak) Lodges with members drawn from other nearby weak Lodges. With the improved transportation facilities in our state (good roads and automobiles) there is no necessity for the many "neighborhood Lodges."

Eureka Lodge, No. 317, of Elizabeth City, has a petition from Mr. Claud C. Duvall for the degrees, and he states he received the Entered Apprentice degree from Columbia (N. C.) Lodge, U. D., which became defunct without receiving a charter, and there are no records of its workings. This matter was brought to my attention recently, and I have not taken any action, as I thought it best to refer the question to you for your attention. The correspondence is herewith attached.

Doric Lodge, No. 569, of New Bern, rejected petition of C. Thalley; he, while temporarily in Norfolk, Va., petitioned Corinthian Lodge, No. 266, of Virginia; he was elected and the Entered Apprentice degree conferred; then Corinthian Lodge apparently discovered that it had no jurisdiction over the petitioner, and also that he had been rejected by Doric Lodge, and refused to advance him, and afterwards advised Doric Lodge that Corinthian Lodge "relinquished jurisdiction." Consequently,

Mr. Thalley's Masonic standing is halted, unless the Grand Lodge considers this certificate "relinquishing jurisdiction" a dimit, and furthermore approves my ruling to Phalanx Lodge, No. 31, that dimitts of E. A. and F. C. from other Grand Jurisdictions might be accepted with petitions for the remaining degree or degrees. All correspondence in regard to the Thalley Case (Doric and Corinthian Lodges' controversy) is attached and a decision by the Grand Lodge, with advice to Doric Lodge, No. 568, is requested.

Upon inquiry from Scotland Lodge, No. 514, that a F. C. who had been stricken with paralysis and not in physical condition to take the floor work in the Master's degree, I ruled he could not be raised, according to Sec. 111 as revised p. 148 of 1921 Proceedings, as he could not "in his own person instruct others by exemplification." I recommend that paragraph 2 of Old Section 111 be restored, and that second paragraph of the revised Section be made paragraph 3, omitting from it "And advancement," and that "provided such candidate *can*," etc., be changed to "provided such candidate *does*," etc.

So many of our Sister Grand Jurisdictions grant dimitts to E. A. and F. C.'s, leaving such men now living in North Carolina halted in Masonry, that I ruled upon inquiry from Phalanx Lodge, No. 31, that "it might receive the petition, for the F. C. and M. M. degrees, of a dimitted E. A. or F. C. from a jurisdiction in fraternal relations with North Carolina" (papers attached). Also, that Lexington Lodge, No. 473, could do likewise. I hope these rulings will be approved by the Grand Lodge and adopted as a rule for future action, as such cases are continually occurring and there are now applications held up, awaiting your decision.

Minneapolis Lodge, No. 601, has filed no returns for year ending June 30, 1922; has ignored letters from the Grand Secretary and me, although recently cited to show cause why its charter should not be arrested. I refer this very serious matter to the Grand Lodge for disposition.

Educational Loan Fund—I recommend an increased appropriation for continuing this splendid work.

The report from our Committee on the George Washington Memorial Temple will be read, and I urge the

adoption of necessary and effective means for North Carolina Masons to contribute, at least, their proportionate part of the cost of this National Memorial to our illustrious Brother.

I have remanded for re-sentence, to various Lodges, when transcripts of trials showed accused was "indefinitely suspended" as penalty for un-Masonic conduct, as pages 126 and 127 of 1922 preceedings.

I recommend that the dues for membership begin when E. A. degree is conferred. This will obviate the large number of E. A.'s and F. C.'s who through carelessness or intention never apply for advancement and are carried dormant indefinitely on Lodge Rosters, as they could then be suspended for non-payment of dues.

I strongly recommend the Grand Lodge fixing minimum dues in Subordinate Lodges, making same sufficient for Grand Lodge dues, expenses, etc., and with a surplus for local charity; also the minimum time a member may be in arrears for dues—say two years; and that two and one-half years' arrears automatically suspends for non-payment, unless another year's extension is unanimously voted by the Lodge and approved by the Grand Secretary. (Reports of \$1.00 annual dues and of members 15 years in arrears make this or some equally effective change necessary.)

Section 170 is really expulsion and I recommend that a member suspended for non-payment of dues be re-instated (upon paying the accumulated dues) by a majority vote of the Lodge, after laying over for one month.

Grand and Subordinate Lodge Officers' terms should be concurrent. With Grand Lodge Officers assuming office in January and Subordinate Lodge Officers in June, it is a great disadvantage, especially to the District Deputy Grand Masters, to have (usually) two sets of Subordinate Lodge Officers to work with.

District Deputy Grand Masters should be paid by Grand Lodge, and I suggest that the present plan of collecting their expenses from the Lodges visited be changed and that when each Lodge in his district has been visited and inspection report made, that \$5.00 be paid the District Deputy for each Lodge.

The fearful fire in New Bern December 1st deprived so many people of shelter, food and clothing, that I approved \$500.00 emergency donation from the Grand Lodge; this, however, was later returned by Grand Sword Bearer Bro. Joseph F. Rhem as "not needed."

Eastern Star Lodge, No. 425, A. F. & A. M., Green Mountain, N. C., preferred charges "The seduction of a Brother Mason's daughter" against one of its members; at the trial (June 4, 1921) the accused testified that he did "commit the charge, but did not know the girl to be a Master Mason's daughter, and on finding out she to be a Master Mason's daughter withdrew from her." The Lodge voted him "not guilty" and then in 17 days afterwards (June 21, 1921) elected him its Master. On March 25th, 1922, I ordered the arrest of the charter of Eastern Star Lodge, No. 425, "For its gross immorality in electing and installing a man as Master of the Lodge within 60 days after he had admitted his guilt on a charge of seduction, this being an offense against Masonry, morality and common decency (and violation of the criminal law of the State)." The correspondence in regard to the entire matter is attached.

The William J. Hicks Memorial Hospital at Oxford Orphan Asylum is going up and will be completed in a few months. One of my fondest hopes was to report sufficient funds in hand or subscribed to pay for this imperative necessity to the Orphanage. However, a considerable balance is still to be raised, and I can not too strongly appeal to the Lodges to get to work quickly and vigorously. The general prosperity that has come to North Carolina in the past few months will enable many Brethren to make donations who have heretofore felt unable to do so.

The Oxford Orphan Asylum is doing such wonderfully good work, and is so ably and efficiently operated, that I ask special attention to its report, knowing that this Grand Body will appropriate the amount asked for by the Orphanage. This Institution at Oxford is the pride of North Carolina Masons, and I wish each member of the Fraternity could go there and see what is being done for the helpless children.

As there is no room in our own, or the other Orphanages in the State, for fully as many dependent chil-

dren as are now being cared for, I urge this Grand Body to endorse the proposed Mothers' Aid Law, which has or will be considered by the present session of our Legislature, and which is now in force in 43 other States. Two conferences have recently been held in Raleigh, at which Masonry and the other fraternal and civic organizations were represented, and at which it was unanimously decided to memorialize the Legislature to pass such a law.

The Masonic and Eastern Star Home at Greensboro is most competently managed and its care for our aged Brethren, their wives and widows, is splendid. You will hear its report, and like the Orphanage, it can use to advantage all the appropriation it asks for, and more.

The Order of the Eastern Star is doing so much good along the same lines as Masonry, that I feel confident that greater good to humanity will result from a closer affiliation of the two Orders, and I hope steps for more active co-operation with the Order of the Eastern Star will be initiated by this Grand Lodge.

The gratifying increase in our membership that will be shown by our Grand Secretary's report, means, of course, additional work and responsibility for him, and I recommend an increase in the Grand Secretary's salary in line with what such services command in contemporary business. Also, an increased appropriation for the clerical work in his office.

One of the most important and vital necessities is Masonic Education. The splendid Educational Committee appointed two years ago, after having done its best to get a constructive programme of study undertaken by the Lodges, has regretfully admitted its inability to handle the situation efficiently. It has, therefore, recommended the employment of a full-time Educational Secretary to introduce into our Lodges a worthy programme of Masonic study. I trust the Grand Lodge will authorize the appointment of such a man either for this specific work, or to be combined with the work of the Educational Field Secretary advocated elsewhere.

Fortunately, there is a nation-wide organization, The Masonic Service Association, for furnishing material for Masonic study, and its Monthly Bulletins will go to every Lodge in the State. We shall have the very great honor and pleasure of hearing tomorrow, Hon.

Andrew L. Randell, Past Grand Master of Texas, who is Executive Secretary of this Association. It is my earnest hope that after his address the members of this Grand Body will feel as strongly as I do now the wisdom of utilizing to the fullest possible extent the resources of the Association, which also has the strongest commendation of our Educational Committee.

Probably the most striking deficiency in North Carolina Masonry is the lack of instruction given to our candidates, not only in the ritualistic and unwritten work, but in the great foundation principles of the Order. I most strongly recommend the employment of an Educational Field Secretary to inform the Brethren generally upon the great background of brotherhood, loyalty to Government, the milk of human kindness, and charity. This Secretary should devote his entire time to inspirational addresses to the Craft (and at times to the general public) interpreting the higher ideals, philosophical principles and aspirations of our time-honored institution. He should be a man of such scholarship as to command the respect of the most intellectual, and so humanitarian and common sense as to attract and hold the humblest; a man of great soul, high ideals and magnetic personality. In connection with the Educational Field Secretary, sufficient instructors (or Assistant Grand Lecturers) should be employed to teach every Lodge in the Grand Jurisdiction the unwritten work accurately. After the Lodges have had opportunity to learn from the Educational Secretary and the Instructors, require a proficiency certificate from Lodge Officers before they can be installed. To finance the above, levy sufficient per capita tax. The adoption of this method, or some similar plan, will in most cases result in making Masons out of the petitioners instead of Lodge members.

All the suggestions and recommendations I have made are the result of very serious consideration, after having the necessity for them continually coming up through the year. I ask that they be given the careful thought of this Grand Lodge and be disposed of as may be best for our beloved Order.

From the bottom of my heart I thank you for the unexcelled honor bestowed upon me, and prayerfully hope to show my appreciation by always working earnestly and effectively for Masonry and Humanity.

Fraternally yours,

Report of Grand Treasurer

The Grand Treasurer read the following report which was referred to the Finance Committee:

RALEIGH, N. C., January 16, 1923.

The Most Worshipful Grand Lodge of North Carolina:

BRETHREN: Pursuant to law, I submit to you my report as Grand Treasurer for fiscal year ending December 31, 1922.

I have endeavored as in my former reports to make it so plain that the layman can understand its contents.

The War Savings Stamps as shown in my last report, which cost \$824.00, matured in January this year at \$1,000.00 and with this money I have purchased \$1,200.00 in the United States of America Treasury Savings Certificates, which cost \$984.00 and matures in 1928 at \$1,200.00. The difference of \$16.00 between maturity value of the War Savings Stamps and the purchase price of the Treasury Certificates has been placed in the General Fund; if the Grand Lodge does not approve my actions in this instance, the Treasury Certificates can be cashed in without any loss. The bank balances are \$31,136.41.

I have collected interest on bank balances \$874.57.

Fraternally submitted

B. R. LACY,
Grand Treasurer

The Grand Secretary submitted the following report which was read and referred to the Board of General Purposes:

Report of Grand Secretary

Most Worshipful Grand Lodge of North Carolina:

BRETHREN: In submitting this my sixth annual report as your Grand Secretary, I am pleased to report that financially as well as numerically the Craft in North Carolina has prospered during the year just closed. While the receipts reported this year are \$8,883.30 less than was reported last year, \$7,891.00 is accounted for by the fact that that amount less was collected from Initiations for the Charity Fund.

In addition to this there are sixty-three Lodges that have not settled in full on December 31st, 1922, the end of the fiscal year of the Grand Lodge. Some of these Lodges have not paid anything and others various amounts. If all had settled in full there would have been reported as receipts from Lodge dues and fines nearly \$7,000.00 more than was reported.

There has been collected from January 1, 1922, to January 1, 1923, from all sources and turned over to the Grand Treasurer, \$66,876.49. Not included in this statement are dues of the sixty-three Lodges which have not completed their settlements of dues in full.

GEORGE WASHINGTON MEMORIAL ASSOCIATION

The corner stone to the Memorial Building to Washington, the man and the Mason, will be laid during this year. There will be found two cuts of the building proposed to be erected on Shooters Hill in the Grand Lodge rooms. I trust that each member of the Grand Lodge will examine this cut and observe what a magnificent building it will be when completed and remember, Brethren, when you look at this building that North Carolina has not yet contributed her share to its erection. You are going to be

ROBERT M. OATES
Grand Pursuivant

asked to contribute \$1.00 per member and this will mean that we will have to raise this year a little over \$38,000.00. If you put it off until next year, it will mean more, possibly \$50,000.00. I trust, Brethren, that at the proper time when the call is made through the State Chairman and by your District Deputy Grand Masters that you will respond to this call with alacrity and put North Carolina upon a par with the Masons of other jurisdictions.

ASSISTANT GRAND LECTURER APPOINTED

Bro. J. M. Barber of Asheville, North Carolina, was appointed by the Grand Master as Assistant Grand Lecturer upon recommendation of the Board of Custodians on September 9, 1922.

MINNEAPOLIS LODGE, NO. 601

On yesterday afternoon I received a communication from Bro. L. M. Hall, Secretary of Minneapolis Lodge, No. 601, who was installed Secretary of Minneapolis Lodge on the 24th day of June, 1922, enclosing the returns of Minneapolis Lodge, No. 601, for the Masonic year ending June 30, 1922, and also check for \$54.00. In justice to Brother Hall, I wish to state that I did not know of his being Secretary of the Lodge until the receipt of his communication on yesterday. The citation issued to Minneapolis Lodge, to show cause why its charter should not be arrested before the Grand Master sometime since, was sent to the Secretary of record of this Lodge, Bro. J. F. Puckett, who is now the Treasurer of the Lodge of record. I wish to state in this connection that my recollection is that this Lodge has never made a report on time since it was chartered. It seems very hard for them to find a Secretary who will promptly attend to the affairs of the Grand Lodge.

In conclusion, I wish to express my heartfelt appreciation for the many acts of kindness and for uniform consideration and assistance given me by the Craft, generally, throughout the past year, particularly, to thank my associate Grand Lodge Officers for their advice and support given in my labors.

Every day I am becoming more convinced that it is a
great thing, my Brethren, to be a Master Mason.

MASONIC AND EASTERN STAR HOME

Report not ready. Will be in before 1923 proceedings are printed.

Respectfully submitted,

HOMER PEELE,
Grand Auditor

January 15th, 1923.

The Grand Master introduced Bro. E. S. Parker, Jr., of Graham, North Carolina, who delivered the following oration:

Most Worshipful Grand Master, My Brethren:

We read in the books of the Hebrews that this was the law of the Temple: Each morning before the break of day, the Priests gathered in the courts of the Temple and sent one of their number to the highest place and this Priest looked to the East. When he saw coming above the horizon the first faint gleams of light that foretold the coming of the Sun that rules and governs the day, he looked to the South and West and watched the growing light until he saw the dim outline of the mountain he faced and then through the courts and corridors of the Temple and even unto the Holy of Holies he sent this cry: "The day is lit as far as Hebron." The Priests heard and understood that with the rising Sun the time for work had come.

Tonight, I want you to regard me as this Priest—and he was a Mason too, I think—who looked to the East for the first light from the rising Sun and, like that Priest, I want to send through the courts and corridors of the great invisible Temple of Masonry and even unto the Holy of Holies of that Temple the rallying cry, "The day is lit as far as Hebron." It is time that we Priests in this invisible Temple of Masonry begin the work of the day—begin the work of today.

The temptation to dwell on the glories of the past is almost irresistible to a Mason, but, after all, the Sun only rises in the East. It goes toward the zenith and then, still ruling and governing the day, it goes to the West and all the time there is work to be done, and unlike those Priests of old, we work not in the Temple, but we work on the Temple, for our Temple is incomplete. We are still only workmen engaged in its erection. This that I speak of is that Temple "not made with hands, eternal in the Heavens"—dedicated to service—service to our fellow-man.

I wonder if I can speak to you of some of the stones we must use if our temple is to be complete and beautiful? and first, I will speak to you of material stones that must go into its very foundation.

Of these, first and foremost, there is our work for the orphan. What a glorious record we have! I need not speak to you in detail for you will hear the report of the wonderful work that is being done at Oxford. We have all seen some of it. Last summer at one of the concerts given by the Singing Class, they sang a song with this refrain, "We meet upon the level and we part upon the square" and I saw strong men with faces all aglow with pride in our Order and eyes full of tears—tears of gratitude for the glorious privilege of being a Mason. One good old fellow told me the next morning that he couldn't sleep all night because every time he dozed off, he was trying to do the Grand Honors to the bed post, under the impression that the post was a Mason and that he felt and knew that every man who was a

true Mason deserved Grand Honors at all times for what was being done by Masons for the orphans.

Next, I might speak of our work for those other "orphans in helplessness,"—those whom we name orphans because they are near that day that ends rather than that day that begins life. Again, I need not go into detail because our reports do that and, again, the record is glorious and worthy of Masons.

These and other things of which I might speak are material and the records are not ancient, but are the happenings of just yesterday and today and the Sun still rules and governs the day and tomorrow calls for yet greater things.

Then there is another work that we must do. The world needs faith, fortitude and truth. There is too much so-called liberality. Liberality in thought, liberality in action. There are too many who seem to think that any stone that meets the passing fancy of some of the workmen will do to use in the building of a Temple. We must have faith in the final, absolute perfection of our Temple, and we must have the fortitude to build only with material that will make the Temple perfect—perfect in strength; perfect in workmanship; perfect in symmetry; perfect—absolutely perfect, because it is only absolute perfection that is absolutely immortal.

The designs are on the trestle board. They were prepared by the Master Mason. The material they call for is truth—absolute truth. "There can be no compromise with truth. The laws of mathematics, the rules of geometry admit of no deviation or variation. The square of the hypotenuse of a triangle (as discovered by our eminent brother, Pythagoras,) is not about equal or nearly equal to the sum of the squares of the sides; it is, always has been and always will be *exactly equal*."

If we are to build as the Master Mason would have us build; if our perpendiculars will meet the test of the plumb line; our horizontals the test of the level, and the whole be built upon the square, then, indeed, will our Temple be perfect and immortal.

There can be no more fitting place to talk of these things than in this room. I look around at the portraits of those who arose to such eminence in our Order as that they became Most Worshipful Grand Masters of the grand domain of the State of North Carolina and in their very faces one can see that they were men of faith, men of fortitude, and that they knew and loved the truth. It is such men as these who, fixing their eye, with faith in their destiny upon the future, plow the furrow straight. They had beliefs, they had convictions, they had faith and fortitude and they loved the truth and because of their faith and fortitude and love of truth, we are here tonight with the glorious record of the past and the more glorious hope for the future.

We must build while the Sun rules and governs and we must, as we build, understand that we work not for gain for ourselves, not for money "for the privilege of hiding it in a hedge" nor "for a train attendant," nor merely "for the glorious privilege of being independent," but we must work so that we may be able to help needy brothers, their widows and orphans. And we must not cease to build, though we know that we will never see the

completed Temple. After we have gone West, the Sun will still rule and govern the day.

That man of whom this was said must have been a Mason.

"An old man traveling a lone highway,
Came at the evening cold and gray,
To a chasm deep and wide,
The old man crossed in the twilight dim,
The sullen stream had no fear for him,
But he turned when safe on the other side
And built a bridge to span the tide.

"'Old Man,' said a fellow pilgrim near,
'You are wasting your strength in building here,
Your journey will end with the ending day,
You never again will pass this way;
You've crossed the chasm deep and wide,
Why build you the bridge at eventide?'

"The builder lifted his old gray head,
'Good friend, in the path I've come,' he said,
'There followeth after me today
A youth whose feet must pass this way.
This chasm that was as naught to me,
To that fair youth may a pitfall be;
He, too, must cross in the twilight dim,
Good friend, I am building the bridge for him'."

This service and help for our fellow-man need not and, indeed, must not be all material. We must, by looking toward the East and gaining strength, bring again to the world faith—a faith in truth that will make men see and live, and, if necessary, die for the truth and the truth will make us free. Today there is so little faith—little faith in God and less in man and, as a consequence, there is little of love and less of trust. No trust as between nation and nation; no trust as between class and class; no trust as between man and man. We Masons are of all nations; of all religions; of all races; of all climes. We are universal, but to be true Masons, we all must have faith, and faith begets love and love begets trust, and if we are to have peace on earth so that the work on the Temple will not be interrupted; so that the work that has already been done will not be destroyed, then by our example, by our precepts, by exemplifying faith, by practicing fortitude and by living truth, we must train and lead all the people. The burden is ours for we—we are the chosen people—we—we be Masons, ancient, free and accepted.

On motion of Past Grand Master Gattis a rising vote of thanks was extended to Brother Parker for his able and interesting address and it was ordered to be printed in the Proceedings.

Past Grand Master B. S. Royster read the following report of the Board of Directors of the Oxford Orphan Asylum; so much of which as related to finance was referred to the Finance Committee, and the remainder to the Orphan Asylum Committee.

To The Grand Lodge of North Carolina:

At the end of the first year after the establishment of Oxford Orphan Asylum the then Superintendent stated: "The Orphan Asylum is doing good in four ways:

"1. It stimulates education by directing the attention of parents to the value of learning.

"2. It takes helpless orphans away from vices to which they are exposed, away from the ignorance, in which they are groping, away from the extreme destitution, which many of them suffer, and away from the sad and shameful slavery, which many of them so patiently endure. It gives them a pleasant home, sufficient food and comfortable clothing. Efficient, scholastic instruction and sound moral lessons are day by day improving their minds and hearts, and guiding their inexperienced feet in the ways of wisdom and virtue.

"3. It checks popular avarice and restrains the love of money, the ruling passion of the people. It opens and widens the channels of benevolence and gladdens the hearts of those who have felt themselves friendless and forsaken.

"4. It teaches the world that Masonry means love, relief and truth; that Masonic signs are eyes of pity for the poor, ears opened to the cry for help, mouths ready to condemn the wrong, defend the right and comfort the afflicted; hands helping the needy, and feet going on errands of love and mercy. Genuine Masonry compels its votaries to go about doing good, and the Orphan Asylum is a perpetual appeal to the charity of every human heart, a never-ceasing sermon on the beauty of benevolence, and a blessed benediction on the heads of every cheerful giver."

The past year, like those over which your Institution has travelled for half a century, has been filled with varied and trying experiences. We have felt very keenly the depressed financial condition of our country and your Directors have exercised the highest possible degree of economy, which is consistent with caring for the orphans committed to the Institution.

The purposes and high ideals proclaimed a half century ago, and quoted above, have been an inspiration for your Directors to make this Institution "a perpetual appeal to the charity of every human heart."

Detailed information in relation to the work of the Orphanage, in its various departments, will be found in the reports of the Superintendent, Lady Supervisor, Physician, Dentist and Manager of the Singing Class hereto appended.

Again we call your attention to the fact that the number of children now being cared for in your Institution is greater than the dormitory capacity justifies, and we have on file approved applications for the admission of children who sorely need the benefits and blessings of our Institution.

The health of the children has been good and this fact is a high tribute to the efficiency of our physician, dentist and cottage mothers.

Our industrial departments have been quite busy during the year and we invite your especial attention to the report of our Treasurer with respect to this phase of our work.

The school work in the Institution is first-class in every respect, the only handicap being that the children are too much crowded in the school-rooms and these school-rooms are not conveniently located. One of the most urgent needs of our Institution is a modern school building, so located and constructed, as to meet the present needs of our Institution and to provide for an increase of fifty per cent. in the number of children. We call upon the Grand Lodge to provide means at this meeting for the erection of this School Building. The welfare of the children, the efficiency of the instruction and the security of the lives of teachers and children demand that there be no delay in making possible the speedy erection of this building. The Grand Lodge can

do what it wills to do, and this enterprise calls for the best in all of us.

In our last report we called attention to the fact that the Main Building, cottages and dining hall needed considerable repairs, and now this need is so urgent that we must call your especial attention to it to the end that you may make sufficient appropriation to make these repairs and thus prevent the buildings from most serious damage and decay. We estimate that the improvements and repairs, which are absolutely necessary, will cost something more than Fifteen Thousand Dollars, and of this amount we may be able to pay twenty-five hundred dollars from our permanent investment fund.

The report of Mr. L. W. Alderman, Manager of our Singing Class, gives valuable information as to what has been accomplished by the annual concerts throughout the State. In this connection we desire to thank all the Masons and other good citizens of the State for their liberal patronage and support of these concerts.

We have pleasure in commending to every Mason in the State, *The Orphans' Friend*, a clean, elevating and instructive family paper. By reading this paper from week to week, Masons may keep in touch with the great work being done at your Orphanage.

It will be noted from the report of our Superintendent and Treasurer that at the end of our fiscal year, November 1, 1922, we were in debt to the amount of Ten Thousand Dollars or slightly more. The explanation given by our Superintendent probably accounts for this debt. A great business like that being done at your Orphanage ought not to be handicapped by lack of funds. Our credit is good and we must keep it so by not borrowing except in unusual cases.

The needs of the Orphanage for the coming year will be greater than ever before, because of the large amount which we will be required to expend for repairs which must be made, and because of the increased cost of maintenance of the children.

We ask that you make the following appropriations:

Baby Cottage Maintenance	-----	\$ 7,500.00
General maintenance	-----	30,000.00

Repairs and improvements	10,000.00
Insurance on buildings	2,500.00
<hr/>	
Total	\$50,000.00

We are pleased to report that the work of constructing the William J. Hicks Memorial Hospital is progressing satisfactorily. We hope to have it completed, equipped and ready for occupancy early in May, so that it may be presented to the Institution with fitting ceremony upon the occasion of the celebration of the fiftieth anniversary of the real work of our Institution. We will lack some money to complete and equip the building and call upon the Masons and other charitable citizens of the State to come to our rescue, so that this much needed building and equipment may be free of debt, when it is ready for occupancy. A detailed report of subscription and collections will be made by B. S. Royster, the Hospital Treasurer.

The officers, teachers and every one connected with the Institution have been faithful and efficient during the past year, and we desire to commend them most highly.

We ask your hearty co-operation and most liberal support in the work which we are engaged in at Oxford.

REPORT OF SUPERINTENDENT

GENTLEMEN:

The fiftieth year in the life of this Home is about to come to a close. These have been fifty eventful years; not only in the life of this Orphans' Home, but years of wonderful improvement in the facilities for caring for the orphan child, as well as a radical change in the position the work holds in the public conscience. Indeed, a new light has dawned and a new vision has come before the spiritual consciousness of our citizens in these fifty years.

In 1872 there was no place in our state, and very few in the south, for the care and training of the orphan child. Then God raised up a modern Moses to lead our people in one of the greatest movements for the uplift of the helpless ever undertaken. After the Grand Lodge of 1872 had authorized the establishment of this Orphans' Home, and elected Bro. John H. Mills as its first superintendent, the work was far from being an established fact. No one knew but Brother Mills how many hindrances and vicissitudes the work encountered during the early years of its existence. Almost insurmountable difficulties seemed constantly to confront this giant of perseverance. I verily believe that no other man could have continued the work under the circumstances, for our people were extremely poor. War had ravished their homes. Their men largely had been killed, and our people were staggering under public as well as private debt. There was hardly enough money to live on. This was the state of affairs when Brother Mills began this philanthropic work. It was a new venture, and the people had not been educated, as they now are, to this kind of work. Very few had any faith in its success.

But the Father of the fatherless heard the cry of His needy children. He put courage into Brother Mills' heart. He softened the hearts of the people to the work. He opened up the way which seemed to be blocked. His blessing was on the undertaking. His Providence guided the frail bark through the breakers, pointing its prow toward the celestial city out into the deep, broad ocean of human love and sympathy, where the rocks and quicksands of adversity and criticism could not disturb its triumphal progress of soul saving.

From this small beginning has grown 26 child caring Institutions in the state with the capacity of 2,700 orphan children. Some of them are among the largest in the south. I do not think I exaggerate when I say that we have just reason to be proud of having one of the best systems for Orphanage work of any state in the union. Our Orphanages are largely built on the cottage plan on the edges of small towns with ample land around them where the children can get next to nature. The home-like influence thrown around them divests our work largely of the institutional atmosphere which obtains so largely in the Orphanages in the north where they have their institutions in large cities where children do not have the opportunities for home life or getting next to nature that our children have.

In the fifty years we have taken care of over thirty-five hundred children and our capacity has increased to 375. We are crowded all the time and have on our waiting list about one hundred names. We cannot build more cottages to take in more children because we do not have school-room facilities to seat more, or dining room to feed them. We have gone to the limit of our capacity. Before we can increase the number of children we must enlarge the dining room and school facilities.

The new William J. Hicks Memorial Hospital is now in process of erection. We hope to be able to occupy it some time in the spring or early summer, and I believe that will be an appropriate day for celebrating our fiftieth anniversary.

As soon as we can occupy the new hospital that will release the old hospital for other purposes. I would therefore suggest that it be used to house more children. Of course this will add to our expenses, but I am sure a way will be opened up to supply the means.

While I am on this subject, I beg to call your attention to the fact that we closed our fiscal year \$10,000.00 in debt. The total expenses for running the Home this year were approximately what they were the year before, the deficit being caused by the falling off of \$4,838.08 in Singing Class receipts and \$5,260.21 in donations, both Masonic and general, making a total of \$10,098.29. I do not think this was caused by any falling off of interest in the Home, but by the general feeling of depression which

existed throughout the state for most of the year.

The health of the children for the year has been good. We have every reason to be grateful. We lament the loss of one of our dear children, Pearl Mayes, who died of pus infection of an unknown origin. For full details of the health of the children I beg to refer you to the report of our physician, Dr. N. C. Daniel, herewith submitted. Also the report of our dentist, Dr. R. F. Waller, as to the dental work done for them.

I regret to report that our faithful dentist, Dr. T. T. Frazier, decided to move back to Durham to live and resigned as dentist to take effect September 1st, so Dr. Waller was chosen in his place.

It gives me very great pleasure to acknowledge our deep debt of gratitude to Dr. B. W. Fassett, of Durham, for the service he so willingly and efficiently rendered our children in over forty cases of tonsils and adenoids. He came over from Durham and brought two of his nurses several times, at his own expense, and would not accept any compensation for his valuable services.

I deeply regret to have to report the loss of our very able and devoted physician, Dr. T. L. Booth, who served the Home for more than twenty-five years, but who was compelled to give up the work on account of failing health. No Orphanage ever had a more faithful and efficient doctor than he proved to be and he was loved by all the children.

Although the school and cottage work is most important, I shall not refer to it here, but beg to direct your attention to the report of Miss N. N. Bemis, our very efficient Lady Supervisor, who gives full information of these departments, which report is herewith submitted.

Our Treasurer, Bro. Ivey Allen, will give you in his report the financial condition of the Institution, as well as a report of the Printing Office, Wood-working Shop, Shoe Shop and Farm.

Bro. L. W. Alderman, Manager of the Singing Class, has a good report. We are very much pleased with this year's work of the Class and think it has closed one of the best tours in its history. The children have given an entertainment of a high order which has been most graciously received wherever it was given.

We wish gratefully to acknowledge the kindness of our friends who while in health made it possible for

their generosity to continue to the Orphanage after they had departed. The following legacies will be placed to the Endowment fund as a permanent investment, viz:

Bro. George B. Curtis, Enfield, N. C., \$2,000.00

Bro. E. B. Hackburn left us one-half of his policy in Sudan Widow's Fund amounting to \$500.

We are just completing in our Printing Office a condensed history of the Home with a good number of very fine views of the Home and its various departments, together with descriptive matter connected with them. It is truly a handsome book and is a work of art. It does our Printing Department great credit. It is nicely bound and gives a full and correct idea of the work. We are making the price of this book only fifty cents, as we are not trying to make it profitable, but giving our friends the first opportunity for a correct and comprehensive view of the Oxford Orphanage which has ever been attempted.

Before closing this report, I wish to express my deep **appreciation** for the general spirit of co-operation which is evidenced by the faculty of this Home. I feel that there is but one motive which actuates the organization, that is an earnest desire to promote the best interest and happiness of the children.

Please allow me also to state that the delightful spirit of sympathy and willingness to assist in every way the lightening of the burden of responsibility of this great work on the part of the Executive Committee puts me under a lasting debt of gratitude to them as well as to your honored selves.

Respectfully submitted,

R. L. BROWN,

Superintendent

OXFORD, N. C.,
December 13, 1922.

REPORT OF LADY SUPERVISOR

MR. R. L. BROWN, *Superintendent*:

"Another year is opening,
Another year is gone."

Whatever seeds sown in love, patience and faith have fallen on good soil, the future alone will reveal.

We trust that much has been accomplished. We have noticed particularly the growing tendency toward self-government among the older boys and girls, and the feeling of responsibility which they show for the conduct of those younger in years, also a spirit of friendliness and a desire to help the weaker brother.

COTTAGE HOMES

We are more impressed each year with the advantage of having cottage mothers in charge. At present there are nine who devote their time to the care of a cottage and thirty-six to forty boys or girls.

The children are trained to regular, healthful habits, the care of the buildings, the furniture, the walks and the grass plots. Obedience and courtesy are taught and all things that tend towards the up-building of character. The devotion to their old home is shown by the eagerness with which the former boys and girls plan to return at every opportunity. Christmas is a magic word at the Orphanage and many who are at college or at work come to enjoy the holiday cheer. We have a vacation of three days, and those are filled with joy. One young man remarked, "I just *had* to come back to see those Christmas trees."

A group of carol singers gave selections on the campus and at several places in town on Christmas eve.

SCHOOLS

Our school year of forty weeks closed June 17th. Eight additional weeks were given the Senior Class for study during July and August. In September diplomas were awarded the students who had completed the four years of high school work. This is the first time that diplomas have been presented to the pupils of the Orphan-

age. Nine of the ten graduates are now in colleges; five at the East Carolina; two at North Carolina College; one at Greensboro, and one at Wake Forest. The other member of the class is in training at the Park View Hospital.

NAMES OF THE GRADUATING CLASS

Alma Ball, Louisburg, Franklin County.

Katie Ellis, Walstonburg, Greene County.

Jessie Lee Fincannon, Mooresville, Iredell County.

Una Harris, Winston-Salem, Forsyth County.

Nettie Ray, Haw River, Alamance County.

Nettie Taylor, Bertha, Currituck County.

Mamie Shelton and Mary Gold Shelton, Dew Drop, Madison County.

Lucretia Tuttle, Asheville, Buncombe County.

William Powell, Hallsboro, Columbus County.

Alma Ball received the highest scholarship mark for the year.

We now have eleven grades with one hundred twenty-two pupils enrolled in the high school. Our course of study has been revised to conform to the course recently adopted by the State High Schools. Beginning in September, we have had departmental work in the high school; one teacher for English and Science; another for Mathematics and Latin; a third for History and Commercial Geography.

A fine laboratory equipment was purchased in the spring for the Science class and was placed in the basement used for Domestic Science, that being the most suitable place at present to have the experiments performed.

The generosity of Masons in Lenoir has made it possible for one of our girls to study at Davenport College this year. She has already entered upon her second year and these same friends have given another girl a chance, therefore we have two at Davenport.

The Grand Commandery is supplying funds to enable a student who has completed the freshman year at the North Carolina College at Greensboro to continue her studies through the three remaining years. The Mocksville picnic fund also assists students at this college.

The A. B. Andrews Educational Loan Fund is helping students at the East Carolina College. The High Point Commandery is assisting a boy at Wake Forest,

and the Grand Chapter, O. E. S., is lending aid to a student at Trinity and at East Carolina. The Eastern Star Chapters have donated large quantities of clothing for the Baby Cottage. The dainty handwork and bits of embroidery on the articles have delighted the hearts of the little ones.

It seems that golden opportunities are opening to all students who wish to gain an education and we earnestly hope that the generous gifts of our Masonic friends and members of the Eastern Star Chapters will be fully appreciated by the pupils and that all students receiving aid will not only show their gratitude by making the best possible use of the opportunities but will also ever remember the kind friends who have responded so royally to their needs.

All of the school-rooms are crowded. Several rooms do not have sufficient seating capacity to take care of the number of pupils in the grade. They are long, narrow and poorly lighted, and the desks are too near together for comfort or convenience. We have transferred a part of one grade to the study room at the Girls' First Cottage.

Ten children have been transferred from the Baby Cottage. There are twenty-four in the kindergarten. The new room recently excavated for the use of this class is much larger and more suitable than the former room. The play-room in the basement is another addition which is proving a wonderful help in the care of the little folks.

MUSIC

Lessons are given in all the grades, and in addition to the regular chorus work the high school pupils are being given a course in music appreciation, in order to teach them to know and love the best music. Records have been donated for use on the Victrola and talks on the various selections and composers have aroused an interest in classic music. The boys have organized a Glee Club to practice once a week, and they want to form an orchestra or band. This is one of our dreams for the future.

The Manual Arts department has purchased a lathe and motor and the boys are learning to turn objects from wood. Many different articles have been added to

our exhibit room during the year; such as tables, hat and flower stands, cement pieces, together with baskets and embroidery done by the girls.

ATHLETICS

A carefully planned course in athletics has kept the children playing and swimming in season all through the year. Records have been kept of the progress of each child. Baseball has been popular with the boys, and basketball has been played by both boys and girls. Two exhibitions of drills, games and folk dances were given in the winter in which the boys and girls took part. An exhibition of the work done in this department was given on the athletic field June 24th. A tennis court has been added and the field enlarged for a race track.

At the county athletic meet held at Winfield Park play-ground, our grammar grades won a loving cup as one of the prizes.

In October, a rest room was opened for the use of teachers who have a period off duty during the day. This has been done because we realize more and more each year that comfortable surroundings pay in better teaching and better pupils—that what adds to the comfort and convenience of the teachers re-acts on the children.

THRIFT

The subject of Thrift at the Orphanage has developed with the years. The idea has largely grown out of a need. Each season quantities of acorns fall from the oaks, later leaves cover the campus and grove; both are needed by the farmers who are too busy to gather them. Notice is given that the institution will pay for every bucket of acorns and each sack of leaves gathered. At once the grove is full of children, eager to work, and thousands of bags of leaves are collected. The same plan is observed for the boys in the berry season. One boy earned \$20.00 last July picking blackberries. Hunting and trapping are favorite pursuits during the winter months. The girls make tatting, crochet and embroider articles. They take orders from all over the state. The children have \$400.00 in liberty bonds and more than one hundred have bank accounts. We have never adopted the

policy of paying for work which would naturally be required of children in any well-ordered home on the principle that such work should be done cheerfully for the good of all.

LIBRARY

The new International Encyclopædia is a recent addition to the library. A good many books have been purchased and some have been donated. We have now 2352 volumes on the shelves.

SEWING ROOMS AND LAUNDRY

The work at the sewing rooms and laundry has been well done. A great number of articles of wearing apparel have been made. The girls are taught to cut as well as to make garments. The laundry is in operation six days in the week.

The Orphanage is a busy and a happy place. Thanks are due to the teachers, cottage-mothers and matrons for their hearty co-operation, efficient work, and the interest they have shown in the welfare of all. I also wish to thank you most heartily for the advice and encouragement which you have at all times been ready to give.

REPORT OF MANAGER OF SINGING CLASS

MR. R. L. BROWN, *Superintendent of Oxford Orphan Asylum,*

DEAR BROTHER BROWN:

The friends throughout the State, who have co-operated so liberally and loyally with the Singing Class, will be pleased to know that the three trips for 1922 were successful and very helpful.

While in Roxboro, it was the pleasure of the Class to meet up with Mr. James H. Evans, editor and owner of the *Person County News*, who related to the party some very interesting incidents relative to the Orphanage work, when he was a boy in the institution. Among other things, he said:

"The Singing Class was originated more than forty-nine years ago—June 1873, to be exact as to the year—by the lamented John H. Mills, the first Superintendent

of the Oxford Orphanage, who so ably directed the destinies of this institution for many years in its infancy—an institution that has done a vast amount of good in caring for and educating the Orphan children of the State.

“The editor of the *News* was the ‘Handy Andy’ student at the Orphanage then and drove the team that conveyed the first Singing Class from Oxford to Henderson (there being no railroad running into Oxford at that time) where they took the train over the old Raleigh and Gaston railroad for Raleigh, where the Class gave its second travelling concert, the first being given in Henderson.”

This bit of history coming from one who went along as a member of the party, is quite suggestive of the changes that have taken place in half a century, from the poor facilities for travel to modern rapid transit methods, by steam or automobile. The trips then were but few days in length; now they are weeks in length. They were first made to educate the masses who knew but little of Orphanage work; while now the Class is welcomed by thousands, from one end of the State to the other, for the clean high class entertainments given. The visits now give the friends a first hand opportunity to lend that personal co-operation with the Class, representatives of the Home, in helping to raise the needed support for the children.

The program was under the direction of Miss Myrtie Muse, teacher in charge, who had a group of fourteen children comprising the personnel of the Class.

There were 191 Class date visits made. By alternating with a number of points visited last year, several new points were made this year. The total Class receipts, for the fiscal year, were \$36,605.26, while the expenditures for the Class, including all items of traveling, printing, postage, salaries, etc., were \$6,064.41, which leaves the net receipts, \$30,540.85. This gives a daily gross average receipts of about \$191.63.

The rather unusual occurrence shows that the dollars in the daily average are the same as the number of Class date visits.

As a matter of information we wish to state that the points named below were visited during the last fiscal year, but their reports with cash were not received until

after the books were closed at the end of the fiscal year:

Graham -----	\$ 52 30	
Fayetteville -----	309 25	
Greensboro -----	617 75	
Albemarle -----	1476 00	
		\$2455 30

If these amounts had been added in the order in which the concerts were given, or had been received before the books had been closed, the net receipts for the fiscal year would show \$32,934.09.

We feel deeply grateful to our Heavenly Father for His protection from harm, for so many blessings bestowed upon the Class and for the great number of friends He has given. We trust the Orphanage cause and Masonry have been stimulated. May God bless richly the thousands of friends everywhere who have come to know and cherish these our little ones.

Respectfully submitted,

L. W. ALDERMAN

REPORT OF DENTIST

OXFORD, N. C., Dec. 9, 1922

MR. R. L. BROWN, *Superintendent of Masonic Orphanage,*

OXFORD, N. C.

On September 1st, I took charge of the care of the children's teeth of the Masonic Orphanage.

Since then I have made a careful examination of each child's mouth, noting the condition of the soft tissue as carefully as the hard or (tooth structure). I found but a few mouths that showed any indications of pyorrhea or Riggs Disease.

There are a few cases where orthodontia is needed.

As a whole, I think the children's mouths and teeth are in very good condition.

R. T. WALLER

REPORT OF PHYSICIAN

MR. R. L. BROWN, *Superintendent:*

I am pleased to report to you that the health of the

children at the Oxford Orphan Asylum has been unusually good during the year of 1922.

I have recently given all of the children of the Orphanage a thorough physical examination. And I am pleased to state that I do not believe that you can find anywhere a lot of children of like number, who are in a more perfect physical condition. No doubt you will be pleased to know that my records will show in all cases that the longer the child has been at the Orphanage the more perfect is his physical condition. Out of the whole number of children examined, I only found two (2) who had any curvature of the spine and in both cases it was due to conditions existing prior to their admission. I found four (4) cases of minor heart lesions, all of these are under observation and are improving. I found one (1) case of kidney disease (acute nephritis) which has been corrected.

I made complete records of all the children and have them on file at the hospital and I propose to keep in touch with the children in that way. Each child is examined upon its entrance to the Orphanage and is then placed in quarantine at the hospital for seven (7) days, after which time he is given a thorough physical examination and a record is made of his condition at that time.

All children upon their admission are given toxin-anti-toxin as a preventive to diphtheria.

I had forty (40) tonsil operations for the year which was done without cost to the Institution through the kindness of Dr. B. W. Fassett of Durham. All children under 12 years have been vaccinated against diphtheria by the administration of three doses of toxin-anti-toxin with no untoward results in any case.

We have had no epidemic of any contagious or infectious disease this year with the exception of four cases of diphtheria at the Baby Cottage, all of which responded to treatment by the administration of diphtheria anti-toxin.

We have had one death at the Orphanage during the year due to general and violent septicemia of unknown origin.

The children have a sufficient and well balanced diet.

Frequent inspections show that cottages, buildings,

milk barns and creameries are kept in a sanitary condition.

I would like to call your special attention to the fact that the management spares nothing in looking after the needs and comforts of the sick at the Orphanage.

N. C. DANIEL, M. D.

December 1, 1922.

REPORT OF TREASURER

To the Board of Directors of Oxford Orphan Asylum:

DEAR BRETHREN: I beg to submit the following report as Treasurer of Oxford Orphan Asylum for the fiscal year ending October 31, 1922.

There has been some increase in expenditures for the past year.

The year 1921 was a disastrous one for the farm and we had to buy a good many things that had heretofore been produced on the farm.

The addition of physical training and the science department to the school work necessitated an increase in salaries. These are the principal items of increase.

The Grand Lodge made an appropriation of \$5,000.00 toward paying the balance due on the new cow barn. This appears as a separate item for permanent improvements. There is still a balance of \$3,500.00 due on the barn.

We have not yet been able to pay off the indebtedness of \$2,850.00 borrowed by the Printing Office to pay for new machinery last year. But with changes in this department noted in the Superintendent's report, we think we will be able to take care of this early in next year.

The continued generosity of Oasis and Sudan Temples has enabled us to wipe out the debt on our splendid Swimming Pool.

A bequest of \$2,000.00 was received in February from Bro. George B. Curtis, deceased, of Enfield, N. C.

In March, \$1,000.00 was received from the M. H. Bizzell legacy.

From Mrs. W. R. Johnson's estate we received \$600.00, settlement in full.

From the sale of a part of the Kornegay property in Goldsboro, we received \$8,500.00.

Bro. E. B. Hackburn, deceased, bequeathed to the Orphanage one-half of his policy in the Sudan Widow's Fund amounting to \$500.00, which has been received.

I am submitting for your consideration, papers, Bonds, and War Stamps received from the estate of Mr. J. H. Wood, of Rutherfordton, N. C., covering a bequest amounting to \$4,522.06.

These funds are in hand or deposited in the First National Bank of Oxford.

The receipts from general donations and from Singing Class concerts have fallen something below what they were for the two previous years. This we think due to depressed financial conditions and not to any waning of interest on the part of the Brethren.

Respectfully submitted,

I. ALLEN,

Treasurer

The Grand Secretary read the following report of Representatives to the Masonic Service Association which was referred to the Educational Committee.

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN: The Masonic Service Association of the United States met in the beautiful temple of Ivanhoe Lodge, No. 446, Kansas City, Missouri, November 17th and 18th. A complete report of the sessions will be sent to members of the Grand Jurisdictions within a few weeks.

There was enthusiasm manifested by the delegates, and the feeling was expressed that the Association has now passed the experimental stage and is rapidly becoming a real and potent force in American Masonry.

The recommendation of our Grand Lodge Education Committee concerning the appointment of a field secretary fits in perfectly with the method of operation of the Association. Representatives of several states reported upon the work in their respective Grand Jurisdictions, and in every case there is one man who devotes his whole time to the task and who is responsible to a Central Committee, corresponding exactly, in this jurisdiction, with the Education Committee. In North Dakota and Montana the program of the Association within the jurisdiction is financed by twenty-five cent per capita tax; in Texas, by ten cent per capita tax, and in the other states in amounts varying between these. Every Grand Jurisdiction that has put on the Association's program is delighted with it and would under no circumstances give it up. We feel that The Grand Lodge of North Carolina should appoint in January a capable man, as recommended by the Education Committee, to devote his whole time to work of this character. Most Worshipful Bro. Andrew L. Randell, Past Grand Master of Texas, and at present Executive Secretary of the Masonic Service Association, will attend our January communication and present to North Carolina Masons the Association, its aims, purposes and program.

Most Worshipful Bro. Francis E. Lester, P.G.M., of New Mexico, presented to the Association the National Masonic Tuberculosis Sanatoria Commission, which is asking for a dollar a year from the Masons of America, for relief of their Brethren who are suffering from that disease.

Most Worshipful Brother Judge Townsend Scudder, P.G.M., of New York, presented the International Masonic Association. It is our opinion that The Grand Lodge of North Carolina should follow New York in seeking membership in that Association and in sending delegates to its meetings.

Fraternally submitted,

H. M. POTEAT, *Deputy Grand Master,*

W. W. WILLSON, *Grand Secretary,*

Representatives

Deputy Grand Master Poteat submitted the following report of the Educational Committee which was read and referred to the Finance Committee:

REPORT OF COMMITTEE ON EDUCATION

To The Grand Lodge of North Carolina, A. F. & A. M.:

Your Committee on Education, appointed agreeable to the resolution set out on page 98, of the 1922 Proceedings, beg to report as follows:

By consent of the members it was agreed that Deputy Grand Master Hubert M. Poteat, as chairman, should take up the matter with any other Masonic bodies in the State, who were engaged in similar work, and he ascertained that during the year 1921-1922, the Grand Chapter of North Carolina, Royal Arch Masons, and Grand Commandery of North Carolina, Knights Templar, had each appropriated a fund of \$1,000.00 and out of which \$2,000.00 they had placed \$1,000.00 as a "Knights Templar and Royal Arch Masons' Loan Fund" at the North Carolina College for Women at Greensboro and a like amount of \$1,000.00 as a "Knights Templar and Royal Arch Masons' Loan Fund" at the East Carolina Teachers' College at Greenville, which funds had been loaned to, and been the means of, eleven young women (five at Greensboro and six at Greenville) in the senior class graduating in June 1922, who otherwise for lack of raising ready cash would have been compelled to leave college, when they lacked only one year of graduation, which would entitle them to a Grade A State Teacher's Certificate.

The committees of the Grand Chapter and Grand Commandery consisted of the following Brethren:

GRAND CHAPTER OF ROYAL ARCH MASONS

W. R. Smith, Past Master, Raleigh, N. C., Raleigh Lodge, No. 500, Grand High Priest and Chairman.

John J. Phoenix, Past Master, Greensboro, N. C., Revolution Lodge, No. 552.

F. F. Harding, Past Master, Raleigh, N. C., Raleigh Lodge, No. 500.

A. B. Andrews, Past Grand Master, Raleigh, N. C., William G. Hill Lodge, No. 218.

C. M. Vanstory, Past Master, Greenboro, N. C., Corinthian Lodge, No. 542.

GRAND COMMANDERY, KNIGHTS TEMPLAR

John J. Phoenix, Past Master, Greensboro, N. C., Revolution, Lodge, No. 552, Grand Commander and Chairman.

W. C. Mudgett, Past Master, Southern Pines, N. C., Southern Pines Lodge, No. 484.

R. S. Gorham, Rocky Mount, N. C., Corinthian Lodge, No. 230.

J. H. Taylor, Jr., Gastonia, N. C., St. John's Lodge, No. 1.

R. C. Dunn, Past Master, Enfield, N. C., Enfield Lodge, No. 447.

A. B. Andrews, Past Grand Master, Raleigh, N. C., William G. Hill Lodge, No. 218.

The chairman of the Grand Lodge committee first endeavored to have a joint meeting of the three committees which was found impracticable, so each committee authorized its chairman to act on its behalf, and a joint meeting of the three chairmen was held at Wake Forest in September, 1922, at which time it was determined that the three committees would act in co-operation with each other so that there need be no duplication of work, and further it was ascertained that the money available was \$1,000.00 from the Grand Lodge, \$1,000.00 from the Grand Chapter and \$500.00 from the Grand Commandery, a total of \$2,500.00, whereupon it was agreed that the Grand Lodge put up an additional \$500.00, the Grand Chapter, R. A. M., an additional \$1,000.00, and the Grand Commandery, Knights Templar, an additional \$1,000.00, which additional \$2,500.00 added to the amount appropriated aggregated \$5,000.00.

It was then agreed that the \$5,000.00 would be divided into four loan funds of \$1,250.00 each to be called "Masonic Loan Fund" and one placed at (1) the University of North Carolina at Chapel Hill, (2) the State College of Agriculture and Engineering at Raleigh, (3) the North Carolina College for Women at Greensboro and (4) the East Carolina Teachers' College at Greenville.

It was further determined that these loan funds should not be restricted to the children or dependents of Masons, but should be handled by the college authorities, like any other loan fund, for deserving students, the preference to be given to deserving seniors, juniors and upper classmen and women and the loans when repaid to be loaned out again.

The following apportionment between the several grand bodies was determined upon:

COLLEGE	GRAND COMMANDERY K. T.	GRAND CHAPTER R. A. M.	GRAND LODGE A. F. & A. M.	TOTAL
North Carolina College for Women (Greensboro)	\$ 500.00	\$ 500.00	\$ 250.00	\$1,250.00
North Carolina Teachers' College (Greenville) ---	500.00	500.00	250.00	1,250.00
University (Chapel Hill)	250.00	500.00	500.00	1,250.00
State College (Raleigh)	250.00	500.00	500.00	1,250.00
	<hr/> \$1,500.00	<hr/> \$2,000.00	<hr/> \$1,500.00	<hr/> \$5,000.00

Past Grand Master A. B. Andrews, of Raleigh, was designated as treasurer of the joint committee and directed to collect in the money and disburse the same to the four institutions named, and advise the committee as the several sums were paid.

From time to time, as the money has been paid in by the several grand bodies, he has disbursed the entire \$1,250.00 to each of the four institutions, whose receipts for the same have been filed with the committee.

We consider the placing of \$5,000.00 of "Masonic Loan Funds" as something worth while to Free Masonry. The good that such funds can do in tiding over deserving worthy students of limited means, who have no other possession in this world than a character and a capacity for education, and no relatives or kin even moderately well-to-do who could spare them the loan of the money needed, means that the Grand Lodge has accomplished a great deal. Furthermore, this \$5,000.00 has been financed by the Grand Lodge only putting up \$1,500.00, while other bodies of Masonry, whose membership pre-requisite is continuous membership in a Master Mason's Lodge, have put up the other \$3,500.00, and generously and unanimously have they joined in calling it "Masonic Loan Fund." As a question arose whether the Grand Master, in the vacation of the Grand Lodge, could appropriate the additional \$500.00, Grand Master James H. Webb very generously advanced this \$500.00 out of his pocket, trusting to the Grand Lodge to reimburse him in order that there might be no delay or hindering in the program of putting this \$5,000.00 "Masonic Loan Fund" into effect.

We, therefore, recommend that the action of the chairman of the committee in obligating the Grand Lodge for \$500.00 additional be approved, and that Grand Master Webb be reimbursed the \$500.00 advanced by him individually for the Grand Lodge.

Your committee further beg to report that last year Past Master R. C. Dunn, Grand Commander of Knights Templar, secured promises from practically each of its 28 constituent Commanderies that they would assist in the education of some boy or girl, preferably through four years of college, and through the kindness of Past Master John J. Phoenix, who is present Grand Commander of Knights Templar, we here state what has been reported to him as accomplished by the several Commanderies.

THE FUTURE

It is the unanimous wish and desire of the membership of the three committees that this work in future continue on a co-operative basis, just as this year, and that the work should be increased.

In May, 1922, the Grand Commandery of Knights Templar ordered levied a special educational tax of \$1.00 on each Knight Templar, which it is estimated will yield practically \$5,000.00 as there were 4,350 Knights Templar in May, 1922, and it is expected that the increased growth will add 650 additional. It is, therefore, recommended that the Grand Commandery of Knights Templar put into the fund \$5,000.00.

It is recommended that the Grand Chapter of Royal Arch Masons of North Carolina contribute \$3,000.00, which on their membership of 7,000 in May, 1922, aggregates an expenditure of about 40 cents for each Royal Arch Mason.

It is recommended that The Grand Lodge of North Carolina, A. F. & A. M., appropriate \$2,000.00, which is practically an expenditure of 5 cents for each of the 40,000 Master Masons of North Carolina.

It is further recommended that the Grand Lodge this year appropriate \$500.00 to reimburse Grand Master James H. Webb for his advance to the fund as above set forth.

The Committee has incurred no expense, and no obligations whatever.

CHANGE IN INVESTMENTS

In September this fund became entitled to the right to subscribe to one share of stock at par for each five shares held by it in the American Telephone and Telegraph Company, which it was deemed advisable to purchase, it being deemed advisable to round the shares up to twenty-five instead of only twenty-four. Buying these five shares at par and the one right, cost \$535.00, which was advanced by the custodian, for which we ask the Grand Lodge to appropriate the money necessary to reimburse.

Also having the opportunity to purchase \$1,300.00 of Masonic Temple bonds at 87, we had the custodian to purchase the same for us which aggregated \$1,131.00.

To meet this amount we had the custodian to sell one of the Southern Railway 5 per cent. \$1,000.00 bonds, which brought \$983.06.

With the exception of the above changes, (1) the purchase of five shares additional stock of the American Telephone and Telegraph Company and (2) the purchase of twenty-six \$50.00 4 per cent. Masonic Temple bonds, and (3) the sale of one Southern Railway 5 per cent. \$1,000.00 bond, the securities stand as heretofore reported.

During the year the Grand Secretary paid the \$1,000.00 instalment due on the note of the Grand Lodge due in 1923, and by way of anticipation took up the notes due in 1928, which means a decrease of our interest charge.

For the year 1923, we ask the following appropriations on account of this fund:

(1) For instalments of notes	\$ 1,000.00
(2) For interest due on notes	240.00

Total	\$ 1,240.00
-------	-------------

Also we ask:

(3) To purchase of American Telephone and Telegraph Company	535.00
(4) To difference sale of Southern Railway bond and purchase of twenty-six Masonic Temple bonds	147.94
(5) Interest on overdrafts to January 20th	10.00

Total	\$ 1,932.94
-------	-------------

Also if the finances of the Grand Lodge will permit we recommend the Grand Lodge appropriate \$1,000.00 additional to this fund for the purpose of taking up an additional note:

(6) To extra on instalments	\$ 1,000.00
-----------------------------	-------------

Total	\$ 2,932.94
-------	-------------

There has been no expense incurred by the trustees either against the fund or against the Grand Lodge (except the purchase of the securities above mentioned) and the sole expense has been the custodian's commissions which have been paid out of the Grand Secretary's contingent fund.

We have directed that the income from this fund be turned over to the Grand Secretary to be applied in payment of his salary as far as it would go and this course to pursue in the future.

We estimate that the income from this fund for the coming year will amount to approximately \$1,400.00.

Junior Grand Warden Leon Cash submitted the following report on Necrology, which was read, and on motion of Past Grand Master Norfleet the report was adopted and the Grand Lodge expressed thanks to the Supreme Architect that said report was made by Leon Cash and that they trusted he would live to make many more. The motion was adopted by a rising vote.

Time goes, you say? Ah, no,
Alas, Time stays; we go!"

Another cycle of months has gone by and we pause in our deliberations to recall the names and faces of our departed Brethren; to recount their goodly deeds and gracious qualities of mind and heart; to water anew with tears of affection the rosemary of remembrance which we have planted above the hallowed shrines where they shall slumber in restful peace

"Till the stars are old
And the sun grows cold
And the leaves of the Judgment Book unfold."

It is meet that, in this hour, custom has decreed that we shall turn for awhile from the resplendent majesty of the pulsating life, which we who are present enjoy, to contemplate the mystery of death, and pay affectionate tribute to the memories of those Brethren who have preceded us in that inevitable pilgrimage through the beckoning shadows that darkly trail beyond the borders of this world.

Reverently we turn to thoughts of our departed Brethren, many of whom since last we met have been called to more exalted labors in the Grand Lodge above. Their virtues which endeared them to us are now active in the enjoyment of all is comprehended in the words of commendation: "Well done, good and faithful servant, enter thou into the joys of thy Lord."

Let their names be suitably inscribed in the Grand Lodge proceedings, where not only we, but the faithful of future generations, may read, and ever and anon through uttered word and reverent thought keep green their memories and pay tender tribute to their work and worth.

But some there be among them who were chosen sons of their subordinate Lodges and whose membership and services in this Grand Body prompt us to make special mention of their names.

Bro. Samuel A. Perkins was born in Camden, South Carolina, November 4, 1879, and died in Concord, July 1, 1922. He was made a Mason by Stokes Lodge, No. 32, September 4, 1911, and was a Past Master of this Lodge. He was appointed District Deputy Grand Master about May 1, 1922. He was a Christian

gentleman of high type and was a leading member of his church. He was the Sunday School Superintendent at the time of his death.

He was a true Mason and practiced the precepts in his daily life among his Brethren who loved him for his loyalty and good fellowship.

Gen. John W. Cotten was Grand Master in 1893-94. It was during his administration that the Grand Lodge for the first time in one hundred years departed from its time-honored custom of holding its annual Grand Communication in the Capital City, Raleigh, and met in Wilmington to celebrate the centennial anniversary of St. John's Lodge, No. 1. It is interesting to note at a time when our annual sessions are being sadly abbreviated, that the Communication held in Wilmington met at 8:00 p. m. Tuesday and adjourned at 6:30 p. m. Friday.

At the suggestion of Grand Master Cotten the first Committee on Fraternal Dead was appointed and the first report was filed by M. C. S. Noble, M. L. Winston and James A. Leach.

We quote from the Grand Master's Address in 1895:

"The Silent Reaper has been busy during the years, not only among our own, but in our sister Grand Jurisdictions, where some of the most honored and distinguished Brethren have entered the Grand Lodge on high. Among those in our own State, we are called upon to mourn are: Past Grand Masters Edwin G. Reade and John McCormick, both of whom passed away at a ripe old age, having been honored by their Brethren and their State. May their virtuous lives be unto us examples for us to follow, that, like them, we may die honored and regretted by our Brethren!" And that wish General Cotten expressed for others in 1895, in 1923 is in fullest measure applicable to himself by the Brethren now in Grand Lodge assembled.

General Cotten was nobody's man. His was an independent spirit. He was bluff, hearty and true. He was a friend in whom one could rely and an opponent who was on the square. When convinced he was right, he was an advocate who could be depended upon to stand by to the end; and as an opponent he was equally zealous, standing alone, if need be, until victory was assured or defeat certain. Whether for or against he always gave the best he had in his shop. His life was distinguished for simplicity of manner, activity in business, scrupulous honesty, faithfulness to trusts, whether in private or official relations; and as a Mason he always fulfilled his obligations and promoted in every way the interests of the Craft.

"There's a comforting thought at the close of the day—
When I'm weary and lonely and sad,
That sort of grips hold of my crusty old heart,
And bids it be merry and glad;
It gets in my soul and it drives out the blues,
And finally thrills, through and through—
It is just a sweet memory that chants the refrain,
'I'm glad I touched shoulders with you'."

Every one was shocked when the press dispatches announced the death of Grand Pursuivant Robert M. Oates. Suddenly his sun of life went down at noon and his seat is vacant.

He was prominent in the business, social and political affairs of his community and State, as well as in Freemasonry, and discharged the duties of every position in life to which he was called fearlessly, faithfully and well.

Comparatively a young man, he has solved the great mystery of life and death, and awaits us on the farther shore; but he has left us the sweet influence of an upright and noble character. His splendid personality commanded the admiration and respect of all with whom he came in contact. He was keen of intellect, a modest, manly man, of strong determination, but with a warm and gentle heart. Bob Oates was a considerate and thoughtful man. A year ago when the writer was sick among strangers, his body racked with pain, discouraged and pitifully weak, thoughtful Bob Oates wrote him a cheering, comforting letter which eased the pain, encouraged the spirit and rested and strengthened the tired body.

We had hoped to meet our friend here and thank him in person, but he has gone out beyond the end of the trail.

"Out—where the spirit listens
To the rustle of unseen wings;
And where the ear
Bends low to hear
The voices of hidden things.

"Out—where the vision wanders,
While a Presence uplifts the veil;
When day's soft light
Slips into night—
Beyond the end of the trail.

"Out—where the mem'ry glistens
Through the rings in the blessed tears;
And souls of men
Grow strong again,
To vanquish the waiting fears.

"Out—where the faith sees clearer,
Through the tangled and thinning veil;
Along the way
Into that Day—
Beyond the end of the trail.

"Out—where the streams are flowing
From a source that will never fail;
And all that's best
Creeps into rest—
Beyond the end of the trail."

Last St. John's day we sat on the steps of the office building at the Orphanage in Oxford and had a heart-to-heart chat with Uncle Pat King of Goldsboro. He was weak and frail in body but militant in spirit. He loved the children to whom he had come to pay a last brief visit. Smiles wreathed his worn and wrinkled features as he watched the children enjoy the happiness of the big day of their year. With a hearty handshake we bade him good-by and he walked bravely but uncertainly away.

In a few weeks he mounted his cab for the last time, pulled the throttle, switched on to the main line and went on his last run, arriving on time at the Celestial Terminal.

Many of us remember with pleasure the various talks Uncle Pat made at our annual sessions when he told us of his love for the orphan children; his affection for the Brethren; and of his simple, child-like faith in the perfect future life.

We also remember how at the close of our sessions, before he became too feeble, he enjoyed leading the Brethren in singing the old songs which touch the heart and comfort the soul.

This was one of his favorites:

"There's a land that is fairer than day,
And by faith we can see it afar;
For the Father waits over the way,
To prepare us a dwelling-place there."

A recent experience of ours made us interested in an article by Irvin S. Cobb, "The Nearest I Ever Came to Death."

"We are all of us going to die. Some may look upon death with indifference, some with a shrinking dread in their souls. The majority in times of health put from them all contemplation of death as a concrete fact; even so, though, there must be hours when they speculate upon it as applying to themselves. So to all such I, who have skirted the Valley of the Shadow, say that if my own experience is typical—and it surely must have been—then those among us whose lot it will be to face the finish while still in reasonable possession of our faculties will face it without fear and without bitterness, without reluctance and without repinings; we shall find it, at the last, but a peaceful transition, an eternal change mercifully accomplished."

But this view does not entirely satisfy. As Masons we believe in immortality. Victor Hugo expresses it correctly when he says: "When I go down into the grave, I can say like so many others, 'I have finished my day's work,' but I cannot say, 'I have finished my life.' My day's work will begin the next morning. The tomb is not a blind alley; it is a thoroughfare. It closes with the twilight to open with the dawn."

Let us therefore bow in humble submission to the Power that has preserved our lives, and lift our voices in thanksgiving and praise to the Grand Master of the Universe for His great mercy in permitting so many of us to clasp hands again as brothers. When we reflect that we know not how many of us, before another meeting, may be called before the Great White Throne and

asked for the last time the familiar question, "Is he worthy and well qualified?" we cannot help but urge that each of us put his house in order for the great change.

"What will they say when my work is done,
And Life fades out with the setting sun?
That he builded a business of goodly size,
And emblazoned his name on financial skies?
That his standing was shown in Bradstreet and Dun,
And Big Business paused when his course was run?
That his name was sufficient on bond or note,
And the banks all honored the checks he wrote?
That his record was clean, and he never swerved
From his steadfast course to success deserved?"
All very well, in a worldly way—
And yet not the things I hope they'll say.

"When Life goes out with the dying day,
These are the things that I 'hope they'll say;
'That he greeted the morn with a snatch of song,
And whistled and smiled when all things went wrong
That he treasured the friendship of child and brute
Far more than he cherished the world's repute;
That if ever he wavered and walked astray,
He groped his way back in a penitent way;
That a heartening hail and a cheering smile
Will be missed from the paths that he trod awhile.'
This be the tone of the world's refrain—
Else I shall feel I have lived in vain."

Past Grand Master Braswell submitted the following report of Committee appointed by Grand Lodge to prepare suitable resolutions on death of Past Grand Mas-Jno. W. Cotten, which was read and adopted, and a copy ordered to be printed in *The Orphans' Friend* and a copy sent to the widow of Brother Cotten.

To The Grand Lodge of North Carolina:

It is fitting that, in discussing the problems that come before this Grand Lodge for solution, we pause for a moment and pay tribute to our distinguished and departed dead.

"Break, break, break on thy cold, grey stones, O Sea!
And I would that I could utter the thoughts that arise
in me,
The Stately ship sails on for the haven under the hill,
But, O, for the touch of a vanished hand and the sound
of a voice that is still!"

On Oct. 1st, 1922, at his home in Tarboro, after a long and painful illness, a messenger of mercy came and in the solemn hush of a holy Sabbath evening Past Grand Master Jno. W. Cot-

ten "fell on sleep." Another stately column is broken, and his Brethren mourn.

Born in Wake county, North Carolina, Aug. 11, 1835, he lived to the advanced age of seventy-seven years. The son of a distinguished family, J. W. and Placide Clark Cotten, his wife, he was reared in an atmosphere of refinement and culture typical of the Old South and always "bore, without abuse, the grand old name of gentleman." Of splendid physique, liberal education and an air of authority that comes from mingling with men of affairs, Past Grand Master Cotten's was a commanding figure in any assembly. Of broad vision, strong mind, and tenacious of the right as he saw it, he won the love and admiration of all with whom he came in intimate association. On the 19th of January, 1865, he was married to Miss Elizabeth Frink, of Southport, North Carolina, and from this union he is survived by two daughters, Mrs. David Tayloe, of Washington, North Carolina, and Mrs. Lizzie Howard, of Richmond, Virginia, and three sons: Capt. Jno. W., of Richmond, Virginia, Joseph Cheshire, of Petersburg, Virginia, and William B. Cotten, of Atlantic City. On Aug. 19, 1879, he was married to Miss Alice Pender, of Tarboro, a member of an old and prominent Edgecombe family, who, with one daughter, Miss Florida Cotten, of Washington, D. C., survive him. His home life was blameless and its influences as sweet as a mother's eventide lullaby. He was a loyal and true friend; he loved his State and people and was ever jealous of their reputation and honor. At the age of seventeen, he left the University of North Carolina to defend a cause he believed to be just and righteous. He served as Lieutenant in the 10th heavy artillery of the C. S. A. until transferred to the Signal Corps, in which service he remained until the close of hostilities. He was commissioned Captain, Co. F. (Edgecombe Guards) First Infantry, N. C. S. G., May 1, 1877; Lieut. Col. First Reg., (Staff) N. C. S. G., Jan. 10, 1878; Col. First Reg., N. C. S. G., Dec. 7, 1882-89-90; Brig. Gen. First Brigade, N. C. S. G. Jan. 27, 1891-1896; Capt. Co. A, First Infantry, N. C. S. G., March 31, 1897; Capt. Co. I, Second Infantry, N. C. S. G., April 27, 1898; Major Second Reg., N. C. Volunteers, May 27, 1898; (Mustered into Federal service, Spanish American War, May 27, 1898. Mustered out Nov. 25, 1898.) Capt. Co. A., Second Infantry, N. C. S. G., Sept. 12, 1900; resigned, July 22, 1902.

A casual review of his military service demonstrates the fact that he was "true to his country and just to the laws of the Government under which he lived." He was a director of the Oxford Orphanage for many years and his service to that Institution was of a high order and an inspiration to his colleagues. He was particularly tender and affectionate to children, and his wise counsel and gentle sympathy whispered into the ears of despondent and erring Brethren wrought many reformations.

He was a member of all branches of Masonry, York and Scottish Rites and the Mystic Shrine. He was Past Master of Concord Lodge, No. 58, and a regular and prompt attendant upon its communications and frequently participated in its ritualistic work. He was Grand Master of The Grand Lodge of North Caro-

lina for two terms, 1893-1894, and his administrations were marked by signal ability. He loved and believed in Masonry; his conception of its laws, rules, regulations and tenets was broad and comprehensive and his loyalty such as gives to it the exalted niche it occupies in the estimation of mankind. In the forenoon of October 3rd, after a short service in Calvary Church, of which he had long been a communicant, and in the presence of a vast concourse of relatives and friends, the last sad rites were conducted by The Grand Lodge of North Carolina, R. W. Deputy Grand Master Hubert M. Poteat, officiating. In the quiet, peaceful bosom of beautiful Calvary church-yard, close by his loved ones, rest all that was mortal of our beloved Brother. There, embowered by ivy and rose, the tender blue eyed violets will kiss the sod above him; the sturdy oak and the sad, sad cypress will whisper their solemn requiem, and God's own Angels, looking down through the starry windows of heaven, will keep silent and sacred watch.

"High Twelve! Lo! Judah's Lion stoops to save!
His strong right hand is reaching downward to the grave.
The dead shall stand.
A grip, a word, he springs upright.
Shadows fly;
He basks in Heaven's eternal light,
No more to die.
High Twelve."

Fraternally submitted,

Second Day---Morning Session

RALEIGH, N. C., January 17, 1923

The Grand Lodge was called from refreshment to labor at 9:30 o'clock a. m. by M. W. James H. Webb, Grand Master.

Rev. J. W. Patton, Assistant Grand Lecturer, delivered the invocation.

Bro. John J. Phoenix read the following report of the Masonic and Eastern Star Home, which was referred to the Finance Committee:

GREENSBORO, N. C., January 16, 1923

To The Grand Lodge of North Carolina, A. F. & A. M.:

BRETHREN: We respectfully submit to this Grand Masonic Body our report covering the operations of your Home for aged Masons and their dependents, for the year 1922.

HOME FAMILY

On Jan. 1, 1922, we had a Home family of 25. We received during the year 11. We lost by death 4. On Dec. 31, 1922, we numbered 42 people in our care. Of these 18 are Brother Masons and 24 the wives or widows of our Brothers.

HEALTH

Considering the advanced age of our guests, the general health conditions are satisfactory. Our Home physician made 154 separate calls during the year. His full report in detail is attached and made part of this report. We have 12 guests whose combined ages total 1008 years, the oldest being 96 and youngest 85.

IMPROVEMENTS

We continue to make additions and improvements to our plant. This is made necessary by reason of the state-wide demands for admission. A new wing of 17 rooms was completed during the past year, and was immediately filled from our long waiting list. This wing cost \$20,000, and was completed for less than the original estimates. This was rendered possible through the personal attention given by our Secretary and Treasurer, Bro. L. M. Clymer, and our Superintendent, Bro. H. C. Butler. Both of these men are practical mechanics and builders. The Main Building was completely renovated, painted inside and outside and all necessary repairs made.

NEW HEATING PLANT

We have installed a modern heating plant and made all rooms comfortable. This system is of sufficient capacity to carry the present buildings and the second wing which must be constructed in 1923.

GENERAL IMPROVEMENTS

We have laid cement floors in our piggery and made numerous and necessary repairs to barns and out-buildings.

EXPENDITURES FOR 1922

For Maintenance	\$ 12,699.70
For Balance on New Wing	10,592.36
For heating plant	4,750.00
Repairing, renovating and painting Main Building	2,882.61
Improvements to Grounds	258.46
Improvements to Laundry	91.85
Improvements to Barn	55.50
Improvements to Piggery	144.19
Insurance	154.43
Furniture and Equipment for New Wing ..	1,110.73
Total	\$ 32,739.83

ESTIMATED BUDGET FOR 1923

(For operations)

Maintenance (Basis of family of 50)	\$ 13,850.00
Insurance for 3 years from Jan. 1, 1923	1,358.00
Expenses, Farm, Dairy and Piggery	1,620.00
General upkeep	900.00
Total operating expense	\$ 17,728.00
Contingent funds for emergencies	500.00
Improvements to Cemetery plot	250.00
Grand total operating expense	\$ 18,478.00

FOR NEW PLANT

Addition of another wing of 17 rooms	\$ 20,000.00
New kitchen and dining room	2,500.00
Concrete roads and walks	5,000.00
Furniture and equipment for new wing	2,000.00
Total	\$ 29,500.00

SUMMARY

For operating	\$ 18,478.00
For improvements	29,500.00
Total for all purposes	\$ 47,978.00

This ambitious program may at first glance seem one of extravagance. But investigation will prove that our waiting list of worthy suffering Brothers or their dependent ones makes it imperative that we meet conditions and demands without delay.

The representatives of many Lodges now before me will give testimony that we have not been able to act promptly upon their applications. This is through no fault of our management, but due to the fact that our facilities were not adequate.

PER CAPITA COST

By rigid economy, we operated during 1922 on basis of \$27.-70 month per capita.

COMPARISONS

We submit the following figures to show the low per capita

cost of operations in North Carolina:

Masonic Home of Pennsylvania -----	\$48.26 per capita.
Masonic Home of Ohio -----	46.61 per capita.
Masonic Home of North Carolina ----	27.70 per capita.

APPEAL TO GRAND LODGE

We respectfully request this Grand Body, A. F. & A. M., to make the following appropriations for year 1923:

For Maintenance -----	\$12,500.00
For Improvements -----	5,000.00

We do not ask for more as other Masonic Bodies and the Eastern Star Chapters have made liberal donations for this year.

CONCLUSION

Brethren, we have a great and growing enterprise in our Masonic Home for aged Brethren. Words cannot express the personal gratitude of our guests for the comforts you have placed within their reach, at a time in life when they are practically helpless. We, Masons, in our good health and prosperity, must never forget our obligation to these old patriarchs of Masonry. They should never want for any pleasure within our power to give. I love to plead for them and have done so year after year with no compensation, except their grateful words of appreciation. I consider it a great honor to be permitted to actively represent the Masonic Home. From the laying of the first brick I have watched its growth with each year. I know The Grand Lodge of North Carolina has not only a material asset of \$100,000, but also something that cannot be measured in money—the knowledge that we are fulfilling our sworn obligation to our Brethren less fortunate than ourselves.

This service carries into execution the true principles of fraternal Brotherhood.

Respectively submitted,

C. M. VANSTORY, *Chairman*
J. E. LATHAM,
JOHN J. PHOENIX, *Ex. Com.*

Best wishes for most successful session at Grand Lodge and appreciation of all courtesies received from the Great Brotherhood.

Grand Master Webb then introduced to the Grand Lodge M. W. Bro. Andrew L. Randell, Past Grand Master of Texas and Executive Secretary of the Masonic Service Association of the United States of America, who delivered to the Grand Lodge an address upon the aims, objects and work of the Masonic Service Association, which was exemplified by moving picture films. On motion of Bro. Jno. E. Cameron the thanks of the Grand Lodge were unanimously extended to Brother Randell for his highly instructive address on the program of the Masonic Service Association.

The following report of the Board of General Purposes was submitted by P. G. M. Gattis, and was read and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

BRETHREN: Your Board of General Purposes wish to congratulate you upon the rapid strides that the Fraternity has made under the wise, sane and progressive administration of our present Grand Master, James H. Webb. Masonry is fortunate in having men of such vision to lead its forces for good in this age of unrest and dissatisfaction.

That portion of the Grand Master's Address which refers to the death of Past Grand Officers and Grand Officers should

be referred to the Committee on Necrology for their consideration.

We recommend that the following portions of the address be referred to the Committee on Masonic Jurisprudence:

First: The paragraph as to the Masonic standing of Mr. Claude C. Duvall.

Second: The matter relating to the status of Mr. C. Thalley.

Third: All rulings in matters relating to interpretations and changes of Sections of the Code and Amendments to Regulations.

We recommend that the portion of the address relating to Minneapolis Lodge, No. 601, be referred to the Committee on Propositions and Grievances. That the portion of the address relating to Educational Loan Fund be referred to the Committee on Education and Finance Committee. That all matters relating to dues of subordinate Lodges and appropriations and per capita tax be referred to the Finance Committee. That all matters relating to changes in the Code be referred to the Code Commission. All matters relating to the Oxford Orphan Asylum be referred to the Committee on Oxford Orphan Asylum and the Finance Committee. That all matters relating to the Masonic and Eastern Star Home be referred to the Committee on Masonic and Eastern Star Home and the Finance Committee. That the recommendations in regard to the employment of an Educational Field Secretary be referred to the Committee on Education and Finance Committee.

Respectfully submitted,

S. M. GATTIS,

B. S. ROYSTER,

J. T. ALDERMAN.

FRANCIS D. WINSTON,

Board of General Purposes

Bro. R. C. Dunn, Chairman Code Commission, presented a verbal report of the Committee submitting a new Code and moved that the Code be recommitted to the Committee for the purpose of preparing an index and when the index was completed, to furnish each Lodge with one copy, that they might have an opportunity for examination before its adoption by the Grand Lodge in 1924. The motion was adopted.

Deputy Grand Master Hubert M. Poteat submitted the following report of the Representatives to the George Washington Memorial Association, which was read:

To the Most Worshipful Grand Lodge of North Carolina:

BRETHREN: The George Washington National Masonic Memorial Association met in the hall of Alexandria-Washington Lodge, Alexandria, Va., on February 21 and 22. The meeting was attended by representatives of practically all the Grand Jurisdictions of the United States, save Ohio and Wisconsin, which are not members.

A model of the memorial building, to cost two million dollars, was presented by the architects, and was accepted, with slight suggested modifications, by the Association. More than a half million dollars is already in hand, and the corner stone will probably be laid sometime this year.

North Carolina has contributed only \$2,400, while South Carolina has paid in \$14,000, and Virginia \$17,000. We beg respectfully to suggest that the Lodges in this Grand Jurisdiction comply as speedily and as completely as possible with the request of the Association for contributions of one dollar per member.

P. G. M. Townsend Scudder, of New York, made a most interesting report of the Masonic International Association which met at Geneva, Switzerland, in November, 1921. We are very strongly of the opinion that North Carolina should be a member of that Association and should send representatives to all its regular triennial meetings. Mr. Justice Scudder presents a complete report of the November session in the April number of the *The Builder*.

The Memorial Association was concluded with the annual pilgrimage to Mount Vernon, and the Washington's Birthday celebration, conducted by Alexandria-Washington Lodge.

H. M. POTEAT,
Deputy Grand Master,
W. W. WILLSON,
Grand Secretary,
Representatives

The following resolution offered by Grand Secretary W. W. Willson was read and adopted:

Be it Resolved: That, The Grand Lodge of Masons of North Carolina do hereby commend the work of the Near East Relief to its various member Lodges and individuals and recommend that aid be given their respective local committees for Near East Relief in raising funds for this most worthy cause.

That, the Grand Lodge endorses the work of the Near East Relief in feeding, clothing, sheltering and educating the 110,000 orphans now in the orphanages of that great humanitarian organization in Asia Minor, and in building them into the New Armenian nation.

W. W. WILLSON,
Grand Secretary

The Grand Lodge was called from labor to refreshment until this afternoon at 2:30.

Second Day--Afternoon Session

RALEIGH, N. C., January 17, 1923

The Grand Lodge was called from refreshment to labor at 2:30 o'clock p. m., Most Worshipful James H. Webb, Grand Master, presiding.

Rev. John S. Wood, Associate Grand Chaplain, delivered the invocation.

The following telegram from Past Grand Master F. P. Hobgood, Jr., was read:

Grand Master, Grand Lodge of Masons, Raleigh, North Carolina:

Best wishes for successful communication. Regret exceedingly professional engagements prevent my presence.

F. P. HOBGOOD, JR.

The following report of Committee on Unfinished Business was read:

To The Most Worshipful Grand Lodge of North Carolina:

We, your Committee on Unfinished Business, beg to report that we have searched the records of the proceedings of The Grand Lodge of North Carolina for the year, 1922, and wish to call the attention of the Grand Lodge to that part of Past Grand Master's report on Foreign Correspondence which states that at this meeting he would recommend that we recognize the Grand Lodge of Mexico.

Respectfully submitted

R. M. HALL,

W. C. OWEN, *Committee*

Past Grand Master Andrew L. Randell, a member of the Commission who investigated the conditions of Masonry in the Republic of Mexico, was recognized by the Grand Master and requested to explain Masonic conditions in Mexico, which he did. At the conclusion of Brother Randell's remarks, on motion of Bro. J. Edward Allen, a vote of thanks was extended to him. On motion, The Grand Lodge "Valle De Mexico" was recognized by The Grand Lodge of North Carolina.

The following letter from C. M. Vanstory was read and the Grand Secretary was instructed to acknowledge the receipt of same:

DEAR BROTHER WILLSON: I had made my arrangements to attend the session of the Grand Lodge of Masons, but find at the last moment that it will be impossible to attend on account of sickness in the family.

Please say to the Brethren that I hope they will provide maintenance for the Masonic and Eastern Star Home. It will take about twenty thousand dollars to run the home for 1923, and I think it has been agreed or understood that the Masons would pay three-fifths, and the Order of the Eastern Star two-fifths to support the home. The other Grand Bodies with the Order of the Eastern Star, I think, will raise the money for all permanent improvements and repairs. We want to start to build the other new wing in the early spring, as the home is now about full with the applications in the hands of the Executive Committee, if all are accepted.

Thanking you for any assistance given us, with regards and best wishes, I am,

Fraternally yours.

C. M. VANSTORY,
Chairman of Executive Com.

The following reports from the Committee on Propositions and Grievances were read and adopted:

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

Your Committee on Propositions and Grievances respectfully report that we have considered the prayer for restoration of charter of Eastern Star Lodge, No. 425, and have gone into the matter as far as possible. We find the prayer for restoration is incorrect in that it says "immoral conduct," when the record shows "seduction," and we do recommend that when this Lodge amends their prayer to conform to the above—that their charter be restored with the officers nominated as the officers of the Lodge until the next annual election of officers.

Respectfully submitted,

GEO. POLLOCK BURGWIN, *Ch.*

J. C. CURTIS,

H. C. MERONEY,

D. P. DELLINGER

We, your Committee on Propositions and Grievances, respectfully report that we have considered the petition of Thos. Y. Lytle and the correspondence attached thereto and beg to recommend favorable action of this Grand Lodge as follows:

That said Thos. Y. Lytle pay unto the Secretary of Joppa Lodge, No. 401, A. F. & A. M., the sum of \$7.00 or as much thereof as will satisfy them—and upon so doing he be recognized as a non-affiliated Mason.

Respectfully submitted,

GEO. POLLOCK BURGWIN, *Ch.*

J. C. CURTIS,

H. C. MERONEY,

D. P. DELLINGER

We, your Committee on Propositions and Grievances, respectfully report that we have considered the correspondence and some personal evidence in the matter of Greensboro Lodge, No. 76, A. F. & A. M., and J. W. Taylor, and find the matter is not of interest to this committee or this Grand Lodge, but is still in Greensboro Lodge, No. 76, as shown in paragraph three of the letter of the Grand Secretary of Jan. 8, 1923, to the Secretary of Greensboro Lodge, No. 76.

Respectfully submitted,

The following letter from Square and Compass, a college organization of Masons at the North Carolina State College, was read and the Grand Secretary requested to acknowledge the same:

To James H. Webb, Grand Master Grand Lodge of North Carolina:

At the North Carolina State College there is a local chapter of "Square and Compass," an organization of college Masons, which was founded at Washington and Lee University, Lexington, Va., on May 12, 1917, for the purpose of furthering the purposes of Freemasonry among college men.

The National organization of "Square and Compass" has chapters in about twenty colleges and universities all over the United States.

The State College Square, as an organization, wishes to extend to the Grand Lodge its fullest co-operation and help in any Masonic work which the Grand Lodge might wish to do at State College.

Yours very sincerely,

DAVID B. VANSANT,

President

The following reports of the Grand Representatives of the Grand Lodge of North Carolina near the Grand Lodges of Ohio and Tennessee were read:

Mr. W. W. Willson, Grand Secretary, Raleigh, North Carolina:

DEAR BROTHER WILLSON: As the representative of The Grand Lodge of North Carolina, I herewith submit my report for the past Masonic year.

The Grand Lodge of Ancient, Free and Accepted Masons of Alabama held one of the most important Annual Meetings in its history, December 6th and 7th, 1922. There was more interest manifested and business transacted than has been at any previous meeting. The attendance was larger than ever before and the Masonic Temple was far overtaxed to accommodate the rep-

representatives. The great interest in Masonry throughout the entire State was shown by the large representation.

The number of Lodges in State approximately five hundred and eighty (580) with a membership of approximately forty-eight thousand and five hundred (48,500).

In behalf of the officers of the Most Worshipful Grand Lodge of Alabama and its membership, I extend to officers of the Most Worshipful Grand Lodge of North Carolina and its entire membership greetings and wish to each of them a Happy New Year.

Yours fraternally,

W. R. McCLUSKY

Mr. W. W. Willson, Grand Secretary, Ancient, Free and Accepted Masons, Masonic Temple, Raleigh, N. C.:

MY DEAR BROTHER WILLSON: As Grand Representative of The Grand Lodge of North Carolina near The Grand Lodge of Ohio, I attended the annual communication of the latter at Columbus, Ohio, on October 17, 18 and 19.

Briefly, let me say by way of report that the membership in Ohio announced at that communication was 172,341, the gross increase during the year being 13,507, and the net gain after all deductions (these being usually heavy owing to the greater strictness in following up arrearages of dues) being 8,684.

Total resources of the Grand Lodge were stated as \$398,622.31. A per capita tax of \$1.00 was as usual ordered paid to the Masonic Home by the Grand Treasurer within ten days, this amounting to \$172,341.

The incoming Grand Master's expense allowance of \$1,500 was increased by a further amount of \$1,200 for clerical assistance. The Stacker Williams Library was allotted \$750, and \$1,000 was also apportioned to the Grand Lodge meeting of next year which will be held in Cincinnati.

Every Lodge in Ohio is provided with a complete list of regular Masonic bodies at the expense of the Grand Lodge, which by the way also provides the Lodges of the State with the reports of the Relief Association of the United States. Following the recommendation of Grand Master Flotron a year ago legislation was adopted stipulating a period before a Master Mason could take the higher degrees.

Number in attendance and qualified at this communication to vote on election of Grand Lodge officers, etc., was certified by the Committee on Credentials as 1,306.

The newly elected Grand Master is Harry S. Johnson, of Cincinnati. Grand Secretary J. H. Bromwell was re-elected for the thirty-sixth time and he received an enthusiastic ovation, which was richly deserved by this dearly beloved and widely known Brother.

With all good wishes, ever

Faithfully and fraternally yours,

ROBT. I. CLEGG, 33°

Grand Representative of North Carolina

The following report of the Educational Committee was presented and read by Past Grand Master Braswell. On motion that part of the report referring to a whole-time Field Secretary was referred to the Finance Committee:

To The Most Worshipful Grand Lodge of North Carolina, A. F. & A. M.:

Your Educational Committee begs to submit report as follows:

The continuation and following up of the work begun in the preceding year was carried on through correspondence by Secretary working through the District Deputies. The program prepared by the committee was used in a number of Lodges and this was supplemented by talks and addresses on the practical application of Masonic principles to the problems surrounding the communities in which the Educational meetings were held. There has been marked progress and great interest taken in constructive Educational endeavor, and many centers have taken up the work, so that a good start is made in the various sections of the State.

The demands made on the committee for personal visitation and instruction in developing the practical application to everyday life of the committee's program were so numerous that they could not be filled. For this reason the progress of the work has been greatly handicapped and, as emphasized, there is a crying need of the services of an all-time man to develop properly and direct this work.

We, therefore, recommend the following:

First: That a whole-time Educational Field Secretary should be employed, whose duty shall be to organize, prepare and develop the work in the districts in conjunction with the District Deputies.

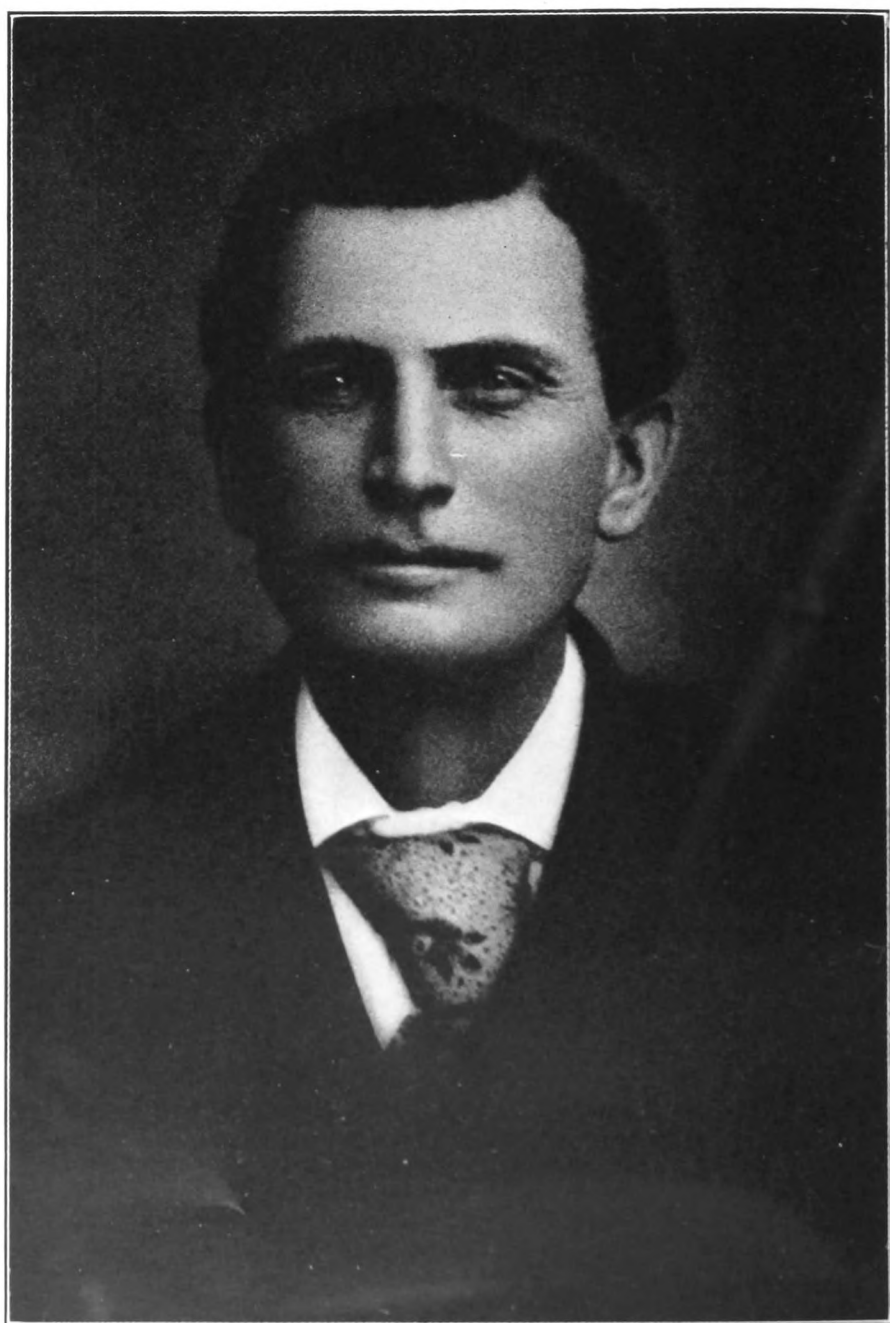

Secondly: That the Field Secretary shall be appointed by the Grand Master with the advice and consent of the Educational Committee and that all matters pertaining to the Educational work shall be under the direction of the Grand Master and the Educational Committee.

Thirdly: In order to co-ordinate the Educational work that the representatives to the Masonic Service Association shall also be members of the Educational Committee.

Respectfully submitted,

THE EDUCATIONAL COMMITTEE

Brother Andrew L. Randell announced to the Grand Lodge that the hour of his departure had arrived and bade the Grand Lodge farewell. He was escorted out of the Grand Lodge by Deputy Grand Master Poteat. Bro. E. E. Griffin, of Goldsboro, introduced Bro. W. A. Dees, who presented to the Oxford Orphan Asylum a portrait of Bro. Pat King, recently deceased, in the following words:

P. R. KING

Brothers of the Masonic Fraternity:

There is an everlasting and an ever-increasing debt that the living owe to the dead. In the busy rush of business and in the hard struggle to conquer the forces of nature and make what is termed progress and advancement, we lose sight of this obligation sometimes and are too prone, I fear, to practice literally the doctrine of letting the dead past bury the dead, and we remember them no more. In fact, the "world is too much with us, getting and spending; we lay waste our powers."

Thoughtful men, however, recognize that the present is debtor to the past and are glad to pause a moment to pay a tribute to a worthy departed Brother and to aid in the perpetuation of his memory. The spirit and example of the noble departed is a mighty anchor that holds us steady and true to that purity of life and rectitude of conduct so essentially necessary to gain admission to that Celestial Lodge above where the Supreme Architect of the Universe presides.

Contemplating this truth, I invite you to think with me for a moment of the life and character of a man and a Mason who occupied a humble station in this world, as he desired to do, but whose high conception of human life and its mission shed a benediction upon all who were within the circle of his influence; and whose lofty soul now looks on upon the deliberations of this Grand Lodge where his human voice has often been heard to the edification of North Carolina Masonry. This man and this Mason was P. R. King, of Goldsboro, better known as "Uncle Pat." He was a useful citizen; he cherished the highest and noblest ideals and exemplified in his life the best attainment of Masonic conduct. He drove an iron horse down two iron rails for 41 years of his life, and thereafter always symbolized his own life as a journey on a locomotive, and he named the place he has now reached the "Terminal Station" for which he not long since told us so eloquently he had blown the whistle and shut off the steam.

Uncle Pat loved Masonry as a Monk loves his creed. He knew it, he taught it and he lived it. He was a devotee of the Craft for more than 50 years, and he guarded the portals of his own Lodge, as Tiler, for more than 25 years in succession. He heard the call to high service and saw the vision resplendent and was obedient unto it.

His passing removed from Goldsboro, where he lived and was best known and universally loved, one of the finest examples of noble manhood and true Masonic character that has blessed that community in generations. It has removed from North Carolina Masonry an inspiring light. This Grand Lodge, the Oxford Orphanage, and the Eastern Star Home,—all so dear to his heart,—will not see his superior in devotion and consistent loyalty.

"Uncle Pat" did justly, loved mercy and walked humbly with his God, in the sunshine of whose countenance he now joyfully lives.

The Masons of Goldsboro, his own neighbors and friends, have desired that some note of this distinguished lover of Masonry be made and that there be something done to remind those

who shall hereafter come of the life and character of so noble a product of Masonic principles as he. To this end, the Masons of Goldsboro have had this portrait of Brother King made by Capt. A. O. Clements, a brother Mason and an artist, and in the name of the Goldsboro Masons, I have the honor to herewith present it, Most Worshipful Grand Master, to you for the Oxford Orphanage, that great institution which perhaps best expresses Masonry in action and so greatly loved and treasured by "Uncle Pat," as a token of the esteem in which "Uncle Pat" was held by the Fraternity; and I trust, as it hangs there on the walls of the home, it may inspire generations yet unborn as "Uncle Pat" himself has inspired this. He believed the Divine injunction, "Suffer little children to come unto me for of such is the Kingdom of God."

The portrait was accepted by Past Grand Master Royster in behalf of the Oxford Orphanage.

The Grand Lodge was called from labor to refreshment until 7:30 p. m.

Second Day--Night Session

RALEIGH, N. C., January 17, 1923

The Grand Lodge was called from refreshment to labor at 7:30 p. m., Jas. H. Webb, Grand Master, presiding.

Rev. John S. Wood, Associate Grand Chaplain, delivered the invocation.

It was announced that M. W. Jas. H. Price, Grand Master of The Grand Lodge of Virginia, was in waiting. The Grand Marshal retired and escorted the distinguished visitor into the Grand Lodge where he was received with Grand Honors and given a seat in the east. He addressed the Grand Lodge in words of cordial greeting, full of fraternal love and encouragement.

Bro. R. C. Dunn submitted the following report of Jurisprudence Committee which was adopted:

To The Grand Lodge of North Carolina:

The Committee on Masonic Jurisprudence respectfully submits the following report:

First: We recommend that the resolution offered by Bro. J. H. Anderson with respect to the laying of corner stones do not pass.

Second: We approve the ruling of the Grand Master given to Phalanx Lodge, No. 31, and Lexington Lodge, No. 473, that they "might receive the petition for the F. C. and M. M. degrees, of a demitted E. A. or F. C. from a jurisdiction in fraternal relations with North Carolina."

Third: In the matter of Mr. Claude C. Duval, brought to the attention of the Grand Master by Eureka Lodge, No. 317, of Elizabeth City, we recommend that if the said Claude C. Duval desires to receive the degrees of Masonry in this Grand Jurisdiction, he be required to pursue the regular course provided for petitioners for degrees, as there was no evidence presented to this committee to verify the statement of the said Claude C. Duval that he had received the degree of E. A. in Columbia Lodge, U. D., of this Grand Jurisdiction.

Fourth: Doric Lodge, No. 568, of New Bern, rejected the petition of C. Thalley: he, while temporarily in Norfolk, Virginia, petitioned Corinthian Lodge, No. 266, of Virginia; he was elected and the E. A. degree conferred; then Corinthian Lodge apparently discovered that it had no jurisdiction over the petitioner, and also that he had been rejected by Doric Lodge, and refused to advance him, and afterwards advised Doric Lodge that Corinthian Lodge "relinquishes jurisdiction." This committee does not consider this certificate "relinquishing jurisdiction" a dimit but recommends that the said C. Thalley procure

an E. A. dimit from Corinthian Lodge, No. 266, of Virginia, and then present this dimit with his petition for advancement to Doric Lodge, in which Lodge it will take the regular course of procedure.

Fifth: On May 5, 1891, at the request of East LaPorte Lodge, No. 358, Biltmore Lodge, No. 446, conferred the F. C. degree on S. A. Davis and on June 9, 1891, Biltmore Lodge, No. 446, at the request of East LaPorte Lodge, No. 358, conferred the M. M. degree on the said S. A. Davis, he not having signed the by-laws of either Biltmore Lodge or of East LaPorte Lodge.

This committee recommends that East LaPorte Lodge, upon receiving a certificate from Biltmore Lodge, No. 446, to the effect that said S. A. Davis has duly received the degrees of F. C. and M. M. in Biltmore Lodge, No. 446, at the request of the said East LaPorte Lodge, be directed to issue to the said S. A. Davis a dimit upon his paying to said East LaPorte Lodge one year's dues as provided by the by-laws of said Lodge.

Sixth: The Grand Master ruled upon inquiry from Scotland Lodge, No. 514, that a F. C. who had been stricken with paralysis and not in physical condition to take the floor-work in the Master's degree could not be raised and recommended that paragraph No. 2, of old Section III, be restored. The committee approves the ruling of the Grand Master upon the law as it now reads, but recommends that paragraph No. 2 of old Section III be restored and that the second paragraph of the revised Section be made paragraph No. 3, making said Section read as follows:

SECTION NO. III, PHYSICAL QUALIFICATION

(1) A candidate for initiation must possess no maim or deformity which will prevent him from being properly instructed in the art of Freemasonry and in his own person instruct others by exemplification.

(2) Maim or deformity after initiation shall not prevent the Brother from advancement.

(3) Maim or deformity shall not prevent a candidate from being Initiated, Passed or Raised, provided such candidate can, by artificial means, comply with the provisions of paragraph No. 1 of this Section.

The following proposition was submitted to our committee:

RALEIGH, N. C., January 12, 1923

We, the Finance Committee of the Masonic Temple Building Committee of Raleigh, N. C., recommend to The Grand Lodge of North Carolina the following, which was submitted to the Masonic Temple Building Committee of Raleigh:

1st. The Grand Lodge of North Carolina be invited to join with the local Masonic Bodies in financing a new building to be erected on lot owned by Masonic Bodies of Raleigh, N. C., situated corner of W. Hargett St., 104.6 ft. and S. McDowell St., 126.5 ft., (N. E. corner) to be used for Masonic purposes.

2nd. The Grand Lodge to have exclusive use of the first-floor rooms of said building for its offices, committee rooms and library.

6th. We recommend that the cost of erection and completion of said building not to exceed the sum of \$200,000.00, this to be raised as follows:

Individual Masons of Raleigh to donate	----\$ 80,000.00
Masonic Bodies to furnish lot valued at	----- 50,000.00

The Grand Lodge to donate	----- 100,000.00

Total	-----	\$250,000.00

Respectfully submitted,

J. H. KING,
SID E. ALLEN,
C. T. MCCLENAGHAN,
CLARENCE E. MITCHELL

and after careful consideration it was resolved that the Masonic Temple Committee deem that it is inadvisable for the Grand Lodge to accept the proposition offered and it was declined.

We are glad to report that all the first-mortgage bonds have been paid, and the mortgage cancelled of record.

Fraternally submitted,

MASONIC TEMPLE COMMITTEE

RALEIGH, N. C., January 15, 1922.

To The Grand Lodge of North Carolina, A. F. & A. M., Raleigh, North Carolina:

GENTLEMEN: As requested, I have audited the books of the Masonic Temple Construction Company for the fiscal year ended September 30, 1922, and herewith submit statements showing the financial condition at the close of the year and the operations for the year.

Reference to the report of Grand Lodge Proceedings for 1921 and my audit report for 1919-1920 will show that it was proposed that the Masonic Temple Construction Company should issue to The Grand Lodge of North Carolina notes to the amount of \$22,500.00, bearing 5% interest; it now appears that notes for this amount were issued, but bearing 6% interest, consequently it has been necessary to adjust the accrued interest as shown in the Profit & Loss Account of this report.

There is still some confusion as to the amount of rent chargeable to the different Lodges, hence only the amounts collected are reported as income.

I believe that the statements embodied in this report are sufficiently clear to require no comment or explanation.

Respectfully,

CHAS. N. GOODNO

The Grand Master announced that the hour for election of Grand Lodge officers for the ensuing year had arrived. He appointed as tellers, Bros. A. S. Holden, J. Edward Allen and D. P. Dellinger. The election resulted as follows:

M.:W.:HUBERT M. POTEAT	-----	<i>Grand Master</i>
R.:W.:J. LEGRAND EVERETT	----	<i>Deputy Grand Master</i>
R.:W.:LEON CASH	-----	<i>Senior Grand Warden</i>
R.:W.:BENJ. R. LACY	-----	<i>Grand Treasurer</i>
R.:W.:WILLIAM W. WILLSON	-----	<i>Grand Secretary</i>

Bro. T. A. Green was elected a director of the Oxford Orphan Asylum for a term of five years to succeed himself.

Bro. George S. Norfleet, P.G.M., was elected a director of the Oxford Orphan Asylum for the unexpired term of Past Grand Master John W. Cotten, deceased. Term expires 1927.

Bros. C. M. Vanstory and C. E. Sternberger were elected directors of the Masonic and Eastern Star Home for a term of five years to succeed themselves.

Senior Grand Warden J. LeGrand Everett presented the following report of the Oxford Orphan Asylum Committee, which was read and adopted:

REPORT OF BOARD OF DIRECTORS

To The Most Worshipful Grand Lodge of North Carolina:

Your Committee on Oxford Orphan Asylum, after having carefully considered the report of the Board of Directors, beg to submit the following:

It is our pleasure to again commend the Superintendent and all of his co-workers for the splendid way in which they have conducted the affairs of our institution during the past year. Our people had not fully recovered from the stress of hard times during the fiscal year ending October 31, 1922, and for this reason the receipts to Oxford Orphanage showed a considerable decrease over the preceding year, therefore, the management had to exercise unusual judgment and economy on account of these conditions.

In considering the report of the Most Worshipful Grand Master we note with much interest his recommendation that the Grand Lodge give its approval and endorsement to the "Mother's Aid" bill to be presented to this session of the Legislature. The conditions of the Oxford Orphanage are no doubt just the same as those at all of the other Orphanages in the State, there being at our institution more than one hundred applications on the waiting list at all times. This "Mother's Aid" bill, if enacted

into law, will do a great deal toward caring for the orphan children throughout the State that cannot gain admission into the Orphanages in the State on account of their crowded condition, and this committee, therefore, urges the Grand Lodge to heartily endorse this bill as requested by the Grand Master.

This Committee has realized for a long time the serious lack of proper school facilities at Oxford Orphanage and we are not at all surprised at the letter and also the report of the State School authorities in regard to this question. We heartily approve and urge the Grand Master's recommendation that a modern and fire-proof school building be erected at Oxford, and we sincerely trust that this session of the Grand Lodge will provide ways and means for the erection of this building. In connection with this recommendation we desire to call the attention of the Grand Lodge to the fact that the eleventh grade has been added to our school at Oxford and this grade now gives us, at our institution, a high school of "A" grade from which the graduates may now enter any college or university in North Carolina without examination.

We are glad to note that the work is progressing so nicely on the Wm. J. Hicks Memorial Hospital, but we respectfully call the attention of the Masonic Fraternity to the fact that the full subscription for this project has never been completed, there being still lacking approximately \$30,000.00, which amount will be necessary to fully complete the erection and equipment of the Hospital. We respectfully urge that the incoming Grand Master take active steps to raise this necessary \$30,000.00, just as soon as possible.

We are absolutely sure that the Board of Directors of the Oxford Orphanage have carefully considered all of its needs and that they have not asked for a dollar more than is absolutely necessary to carry on the work of this institution. Therefore, we urge that the Grand Lodge make the following appropriations to carry on this work.

Baby Cottage Maintenance -----	\$ 7,500.00
General Maintenance -----	30,000.00
Repairs and improvements -----	10,000.00
Insurance on buildings -----	2,500.00
	<hr/>
	\$ 50,000.00

In this connection we desire to call the attention of the Grand Lodge to the fact that for the last few years the Grand Lodge has been compelled directly by appropriation and indirectly by the use of other funds of Oxford Orphanage, to spend from \$10,000.00 to \$15,000.00 annually for repairs on the dilapidated buildings of our institution in order to make them in the least possible way livable. We do not ask the Grand Lodge to make any further appropriation this year, but we *do* ask that the members of the Grand Lodge be thinking about the fact that this \$10,000.00 or \$15,000.00 spent annually for repairs would pay the interest on a sum of approximately \$200,000.00 to \$250,-

000.00, which sum would no doubt be adequate to replace all of our old buildings, excepting the school building above referred to, and provide for modern fire-proof dining-room facilities and dormitories. Would it not be wise for the Grand Lodge to spend this money on interest on such fire-proof and modern equipment *rather* than to pay the *amount* from year to year on repairs on the old dilapidated buildings, entirely inadequate and by their condition continue to jeopardize at all times the lives of those dear children in our keeping?

Permit us in conclusion to express our sincere regret that by reason of his having been elected to the Directorate of our Orphanage, it has become necessary for Past Grand Master Norfleet to retire from this committee. His closer connection with our institution, however, we are confident, will not only be an addition to the Board but will likewise enable him to show in a more material way his great and abiding love for our fatherless little ones.

RALEIGH, N. C., January 16, 1923

Hon. James H. Webb, Grand Master of Masons, Hillsboro, N. C.:

MY DEAR SIR: Recently at the request of a Mason interested in the educational program of our State, and much interested in the Oxford Orphanage, a representative of this department, Mr. J. J. Blair, the Director of Schoolhouse Planning, visited the Oxford Orphanage and spent a day in going over the institution, paying especial attention to its class-room work and school facilities.

Herewith, I hand you the report of that representative, in which he highly praises the class-room work and educational spirit that exists in the institution, and minutely goes into the detail of the class-room facilities, or rather, I should say, the lack of class-room facilities, which undoubtedly ought to be called to your attention as the head of a body of 40,000 educated North Carolina citizens, who are not only caring for and educating 380 orphan children, but are vitally interested in the educational program of the State, both as it affects the local community and the State.

Mr. J. J. Blair, who, by the way, is a member of Orient Lodge, No. 395, Wilmington, N. C., advises me that the present school-room building was erected in 1856—seventy years ago—as a dormitory for a boys' school, and the present school-rooms consist of three of these bed-rooms (planned for two students each)

converted into a room approximately 30 feet long by 15 feet wide with a pitch of 11 feet. Further, that each of these seven school-rooms are occupied in the forenoon by classes varying from 30 to 35 and in the afternoon by another class of the same size.

The approved idea of school-room space today is to give each child at least 240 cubic feet of breathing space, which is also recommended by the health authorities of the United States. The present school-rooms in the Orphanage provide only about 150 cubic feet of breathing space, and owing to the different classes in the morning and afternoon the school-room is in use practically nine hours a day, which renders this condition much worse.

For the great work that has been done by the Grand Lodge of Masons for the past fifty years in caring for, protecting, saving and educating the orphan children, for many years at a great financial sacrifice to the order, I join with others in giving highest praise of that work.

Yet when the Grand Lodge becomes financially able to erect an adequate modern school building, which for 380 pupils should contain at least ten class-rooms, I sincerely hope that the 40,000 Masons of North Carolina will do as well by their 380 children as the 5,000 white citizens of Oxford have done in providing a high-school building of that size and auditorium for their children.

Herewith, I enclose a copy of the report of Mr. J. J. Blair, which explains this matter in detail.

Very sincerely yours,

E. C. BROOKS,

State Superintendent Public Instruction

SURVEY—SCHOOL BUILDING—OXFORD ORPHANAGE

On January 2nd, the State Director of Schoolhouse Planning visited this institution for the purpose of making a survey with regard to the school conditions which prevail. The survey was made with a view to calling attention to the trustees of the institution, the State Department of Education and all citizens of North Carolina who are interested in the growth and development of this humanitarian institution, to its present school accommodation and future needs. This report is intended in no wise whatever as a criticism, but merely a statement of facts pertaining to the physical condition of the building in which the school is conducted.

The Director finds that a splendid school spirit exists and that work of a very high character is being done under the direction of a wonderfully successful, skillful and consecrated corps of teachers and principal. Under more favorable surroundings and conditions much better work could be accomplished and much time saved during the period in which each pupil enrolled is required to attend school. The Director will take up the different types of rooms in succession, giving some facts and figures with regard to each. The first room is occupied by the 9th grade in the afternoon and the 8th grade in the morning,

which have enrollments of 38 and 30 respectively. The dimensions of this room are as follows:

Floor of room, 38' x 14'—Pitch $10\frac{3}{4}$ '
 Cubic contents—5719 cu. ft.
 Floor area—532 sq. ft.
 4 windows—light area 66 sq. ft.
 1-5 of floor area—
 the minimum of light
 required—106 sq. ft.
 Light deficiency—38 sq. ft. of window space.

In order to provide the proper amount of fresh air to meet the requirement of 2,000 cu. ft. per pupil each hour with the minimum enrollment of 30 pupils, 60,000 cu. ft. of fresh air per hour should be supplied. To meet this requirement the air should be changed 10 times per hour.

With the present form of heating by stoves and only window ventilation, the foul air is probably completely replaced by pure air about once in two hours.

It should be borne in mind also that as there are two different sets of shifts of students each day, one during the morning and the other in the afternoon, but little opportunity is afforded for giving the room the thorough cleaning and airing it should have, while under these conditions it is not possible for the pupils to feel physically fit for work or to think clearly.

Of the seven rooms used for school purposes the conditions and measurements given above in a general way apply to two of them. Below are given the measurements for two other rooms which are found to be a little smaller, but in which practically the same enrollments prevail. The figures and dimensions for this group are as follows:

Floor of room—30' x 15'—Pitch 11'.
 Cubic contents—4950 cu. ft.
 Light area of 4 windows—66 sq. ft.
 1-5 floor area—90 sq. ft.
 Light deficiency—24 sq. ft. of window space.

The standard fresh air requirement with the minimum enrollment of 30 pupils is 70,000 cu. ft. To meet this requirement the air should be changed 4 times per hour. With only window and door ventilation the air is probably changed once in ten hours.

In another group, of which the 4th grade room is a type, the dimensions vary slightly as to floor area, but the ceiling being some lower, the cubic contents are considerably reduced.

The figures below apply to this group:

Floor dimensions—30' x 15'.
 Floor area—450 sq. ft.
 Pitch—9 ft. 10 inches.
 Cubic contents—4425 sq. ft.
 Window dimensions—3 ft. x 5 ft. 10 inches.
 Each window—17 $\frac{1}{2}$ sq. ft.
 4 windows—70 sq. ft.
 1-5 floor area 90 sq. ft.
 Deficiency of light area—20 sq. ft.

The quantity of fresh air required in the room per hour for 34 occupants is 68,000 cu. ft. To meet this requirement a complete change of air would be required 10 9-10 times each hour. With only window and door ventilation possible, the air is probably completely changed once in two hours.

This description completes this group of seven school rooms located in the main building.

On account of crowded conditions one room in the Girls' cottage is devoted to school use by some of the smaller children. This room is 17 x 18 ft., and lighted by three windows. It is heated by a furnace and fairly good ventilation furnished through the medium of a fire-place. As this room is located on the ground floor it serves admirably as a study and class-room for a small class of small children.

As the school auditorium is the center of school interest and school spirit, it is entirely proper that a description of this feature be included in this survey. The auditorium which is situated in the center of the main building is 40 ft. in width by 60 ft. in length with a height of two stories, equivalent to a pitch of about 26 ft. A gallery extends around three sides, to which entrance is effected from corridors on two sides and the end opposite the stage, where there is a motion picture booth in which a high-class machine has been installed. The auditorium is furnished with wooden pews of antiquated type, capable of seating about five hundred children. It is difficult to heat and poorly lighted. This auditorium presents a rather dismal impression and is also totally lacking in stage facilities, to which the children are justly entitled.

In describing further the characteristics of this building attention is called to the fact that a wide double porch extends entirely around it, which, while adding much to the comfort of the occupants, particularly during the summer season, and also in case of stormy or cold and inclement weather, affords a means of recreation and exercise. The most serious objection, however, is that the wide porch roof cuts too much a great amount of sun-light as to render the school-room too dark for school use. For pupils to study under such conditions as these must eventually result in permanent injury to the eyes.

The Director feels that this institution, which has such a warm place in the hearts of all the people of the State, is amply justified in seeking to obtain as soon as possible a building planned primarily for school purposes. This Oxford Orphanage School could and should appropriately be made the model school of the State, and so designed and planned as to meet the requirements of a State Standard Accredited High School. At the same time the proper accommodations and equipment for intermediate and primary classes should be included.

With the number of children having reached an enrollment of 380, and taking into consideration the future needs and growth of the Orphanage, the Director recommends for the consideration of the trustees the erection of a modern school building of fire-proof construction with eight standard class-rooms and an additional special room for a standard combination library and

reading room, chemical and physical laboratories, manual training and shop work, home economics and agriculture. Inasmuch as the children are given practice in singing, recitation, debate and other forms of entertainment, in which skill in developing the varied talents which the pupils possess, a suitable auditorium should be provided as an important adjunct to the school building. This auditorium should be lighted and ventilated from two sides with a seating capacity for an audience at least one-third again as large as the entire enrollment of the school. The stage should have modern equipment in every way, including footlights, folding curtains, a reasonable amount of scenery and of such dimensions as to accommodate a chorus of at least fifty people.

Due and careful consideration should be given to the proper location of this building upon the campus. In fact, it should conform to a carefully worked-out plan prepared by a landscape architect for the future growth and development of the plant. It is most desirable that a gymnasium for basketball and other forms of indoor recreation be incorporated in the plan of the building. In connection with it shower baths and dressing rooms should be installed, as they could be used to great advantage during the winter months particularly when the swimming pool is not in operation. If the school building with the gymnasium feature is near or adjacent to the baseball field and tennis courts, it would make the plan of supervised play on the part of special instructors, which is in vogue, much easier and more efficient.

In thus providing a real school building for the Orphanage, the Director feels that the undertaking would meet with the hearty and enthusiastic approval, not only of the Grand Lodge of Masons and State Department of Education, but also of every citizen of North Carolina. All would feel that whatever expenditure is made would be justified on account of the wonderful service this cherished and beloved institution has in the past rendered to the State in the way of training and educating her orphan children for intelligent and useful citizenship.

Respectfully submitted,

JOHN J. BLAIR,

Director of Schoolhouse Planning

Bro. Harry T. Patterson submitted the following report of Committee on Appeals, which was read by sections and adopted and then on motion was adopted as a whole:

To The Most Worshipful Grand Lodge of North Carolina:

The Committee on Appeals begs to submit the following report:

SECTION 1. With reference to the appeal of J. E. Hodges from the action of Maiden Lodge, No. 592, we approve the finding of guilty but recommend that the sentence be reduced from 25 years to 15 years.

SEC. 2. With reference to the appeal of A. J. Braner, from the action of Carolina Lodge, No. 546, we find that the trial was irregular in that it was held at a regular communication. We further find that the sentence of indefinite suspension imposed was one not recognized by the code and recommend that this case be remanded for re-trial.

SEC. 3. With reference to the appeal of W. E. Bigford from the action of Waccamaw Lodge, No. 596, we recommend that the sentence of reprimand be sustained as the Brother should have accepted the offer of arbitration. The guilt in this case is technical and the offense trivial.

SEC. 4. With reference to the appeal of James H. Robertson from the action of Luke McGlaughan Lodge, No. 504, we recommend that the action of the Lodge be sustained.

SEC. 5. With reference to the appeal of P. R. Griffith from the action of Lone Oak Lodge, No. 449, we recommend that the case be remanded for a new sentence as indefinite suspension is not permissible under the Code.

SEC. 6. With reference to the application of B. F. Halsey for re-instatement in Roper Lodge, No. 443, we find that petitioner was suspended some 20 years ago for profanity, that the Lodge was notified of his intention to apply for re-instatement, and that the present W. M. of the Lodge recommends it. Evidence was presented, showing his present high character and standing, and we recommend his re-instatement as a non-affiliated Mason as provided by Sec. 177 of the code.

Respectfully submitted,

HARRY T. PATTERSON,
H. M. BRANDON,
MARK SQUIRES,
W. R. VAUGHN

Bro. J. W. Alford submitted the following report of Committee, No. 1, on Charters and Dispensations, which was read and adopted:

To The Most Worshipful Grand Lodge of North Carolina:

Guilford, located at Greensboro; Beulaville, located at Beulaville; Kellar Memorial, located at Rockwell; John C. Britton, located at Powellsville.

We find that each Lodge has secured the certificate of proficiency from a Lecturer. Their records and reports are in good shape. Keller Memorial and John C. Britton did not submit By-Laws for approval. We recommend that charters be issued to Guilford and Beulaville.

We also recommend that when Keller Memorial and John C. Britton have submitted By-Laws, and same have been approved, charters be granted them.

	<u>\$10,800.00</u>

which leaves an actual balance unexpended of \$ 21,136.41

A year ago your committee (1922 proceedings, page 116) estimated the total receipts for 1922 would be \$64,585.00, and against it prepared a budget of \$63,650.00. Actually the receipts from all sources were \$67,772.06, while the disbursements were \$62,162.32 and unexpended appropriation as shown by the Grand Treasurer's report.

FINANCIAL

There are now 38,348 Masons returned by the several Lodges and we estimate the number of initiates at 6 per cent. on the above (that is, 2,300) and a net gain of 4½ per cent. (1,725) will give an aggregate total number of Masons July 1, 1923, as approximately 40,073.

We estimate the receipts for the year as follows:

40,073 Masons at \$1.00 per capita	\$ 40,073.00
2,300 initiates at \$1.00 for expenses	2,300.00
2,300 initiates at \$10.00 for charity purposes	23,000.00
Drewry Memorial Grand Secretary's fund	1,455.00
Sales of codes, digest and proceedings	10.00
Fees	50.00
Miscellaneous receipts	40.00
Charters and dispensations	100.00

A total of \$ 70,028.00

EXPENDITURES OF 1922

We recommend the approval of all disbursements made by the Grand Treasurer, including those where at the request of the Grand Secretary and by direction of the Grand Master the allotted budget was exceeded.

EXTRAORDINARY EXPENDITURES

Your committee find themselves faced with calls for expenditures which the Grand Lodge has endorsed and approved by an overwhelming vote. All advanced and elevating movements call for an expenditure of money, and when it is in the treasury it is

easy to appropriate. When it is not in the treasury, if the purpose is worth while and justifies the expenditure, then we should go down in our pockets and raise what is needed. The Grand Lodge has just approved the matter of the educational movement, after the eloquent and inspiring address this morning, approved the erection of a school building at the Oxford Orphanage, approved the erection of a wing to the Home for Aged Masons, and approved the creation of the Masonic Loan Fund for deserving young men and women.

These all call for substantial expenditures of money and with other items aggregate \$25,000.00 in excess of the present revenues of the Grand Lodge, and must be raised to carry out the express wish of the Grand Lodge.

We, therefore, recommend that an assessment of 50 cents be levied upon each Master Mason, as authorized in Section 140, of the Constitution, such assessment to be in addition to the present per capita tax of \$1.00, and to go for the following purposes:

Educational purposes	\$ 6,000.00
School building Oxford Orphanage	6,000.00
Addition to Masonic Home	5,000.00
Masonic Loan Fund	2,000.00
Miscellaneous	1,000.00
Total	\$ 20,000.00
Adding in the estimate above	70,028.00
Grand Total	\$ 90,028.00

OXFORD ORPHANAGE

The board of directors of the Oxford Orphanage ask for five items of appropriation, (1) regular maintenance, \$30,000.00, (2) Baby Cottage maintenance, \$7,500.00, (3) repairs and improvements to present buildings, \$10,000.00, and (4) insurance on buildings, \$2,500.00, a total of \$50,000.00 for maintenance and present repairs of existing buildings. Also they request (5) \$60,000.00 for the erection of a modern school building to take the place of existing inadequate class-rooms.

With regard to the first four items, we make a lump sum appropriation of \$35,000.00, as the Grand Lodge has confidence in the ability of the Board of Directors to disburse this money to the best advantage of the institution of the Grand Lodge.

With regard to the item of \$60,000.00, for the purpose of building a modern school building we recommend that the Grand Lodge make this appropriation payable in ten annual instalments of \$6,000.00 each, payable December 1st of each year and that the Grand Master and Grand Secretary be authorized and directed to execute the notes of the Grand Lodge, payable to the Oxford Orphanage (Oxford Asylum), evidencing these annual instalments, and the Board of Directors be authorized to borrow upon, hypothecate or negotiate these notes, in order to raise the necessary money, and that they be authorized to proceed with the erection of such school building.

This appropriation will have to be met as to principal and the interest falling due thereon in the years 1923, 1924, 1925, 1926, 1927, 1928, 1929, 1930, 1931 and 1932.

MASONIC AND EASTERN STAR HOME

The Masonic and Eastern Star Home has requested two items of appropriation of (1) regular maintenance, \$12,500.00, (2) building, \$5,000.00.

We make a lump sum appropriation of \$16,000.00, as the Grand Lodge has confidence in the ability of the Board of Directors to disburse this money to the best advantage of the institution and of the Grand Lodge.

MASONIC TEMPLE

We find the affairs of the Masonic Temple have been well administered during the past year and we congratulate the Grand Lodge upon the successful management of the affairs by this committee.

DREWRY MEMORIAL GRAND SECRETARY'S FUND

We find during the year this fund yielded \$1,455.24 income to the Grand Lodge which under the terms of the will of Bro. John C. Drewry is to be applied towards the salary of the Grand Secretary. We approve the action of the trustees in purchasing the additional shares of American Telephone and Telegraph Company stock, and likewise the purchase of the Masonic Temple bonds, and the sale of the Southern Railway bond, all of which appear in detail in their report. During the past year, the Grand Lodge paid two instalments on the indebtedness created for this fund in 1919, which reduces by that much the annual interest charges paid by the Grand Lodge.

We recommend the appropriations requested of (1) instalment on notes, \$1,000.00, (2) interest \$300.00, (3) overdraft, for purchase of A. T. and T. Company stock, \$535.00, (4) overdraft for purchase of Masonic Temple bonds, \$147.94, and (5) interest on overdraft, \$10.00, a total of \$1,992.94.

Also, if the Grand Lodge finances will permit we authorize the anticipating of any of these outstanding notes.

This appropriation will have to be met in 1923, 1924, 1925, 1926 and 1927.

Third Day---Morning Session

RALEIGH, N. C., January 18, 1923

The Grand Lodge was called from refreshment to labor at 10 o'clock a. m., Jas. H. Webb, Grand Master, presiding.

Rev. John S. Wood, Associate Grand Chaplain, delivered the invocation.

Grand Secretary W. W. Willson read the following communication:

RALEIGH, N. C., January, 1923

To the Grand Lodge of Masons, Raleigh, N. C.:

BRETHREN: As the Commander of the Confederate Naval Veterans, I am trying to locate the whereabouts of the families of all the men behind the guns who served in the War of the Sixties in the Confederate Navy, and to that end ask a resolution from your body consenting to have your local Lodges render me all the aid they can, in order that we may secure from them any documents or other data they may have showing the enlistment, service and discharge of our heroic dead, and when secured, to be placed in the archives of your State alongside of those of your soldiers.

The five hundred sailors from your State should be remembered in history, and this is the only way left us at this late day to do it. For further information, and to aid the Lodges in rendering us this service, I may be addressed, care Dr. D. H. Hill, in this city, where I can be reached, and if not here, your letters will be forwarded to me.

Hoping that your Lodge will give me this resolution, and that it may result in locating much valuable history of the Confederate Navy, I remain,

Faithfully yours,

A. O. WRIGHT, *Admiral, U. C. V.*

The Grand Master extended the privilege of the floor to Admiral A. O. Wright, C. S. N., who addressed the Grand Lodge in regard to the communication. On motion the consent of the Grand Lodge was given to the Lodges to furnish information asked for by Admiral Wright.

Past Grand Master J. C. Braswell presented the following tribute to the memory of Grand Pursuivant R. M. Oates which was read by him and adopted by the Grand Lodge:

To The Grand Lodge of North Carolina:

It is with sadness and regret that your committee performs the duty of noting a minute to be inscribed on the record of The Grand Lodge of North Carolina, Ancient, Free and Accepted Masons, to chronicle the death of Worshipful Bro. Robert M. Oates, Grand Pursuivant, who died at his home in Hendersonville, N. C., December 20, 1922.

He was born at Charlotte, March 30, 1869, the son of David W. and Anna B. Oates, was prepared for college in his native city and educated at Davidson College, upon leaving which he immediately went into business and all of his life was engaged in manufacturing and active business. In 1903, he removed to Hendersonville, N. C., where he actively entered into the business and community life among the people whom he so highly esteemed, and by whom he was so much respected and beloved.

He was made a Mason in Kedron Lodge, No. 387, Hendersonville, N. C., on March 14, 1913, and at once actively took an interest and after serving as Secretary, he was in June, 1916, elected Junior Warden, and in June, 1917, Worshipful Master, in both of which offices he greatly contributed to the success of the Lodge. In 1920, he was appointed Grand Steward by Grand Master James C. Braswell and successively served in office under Grand Masters J. Bailey Owen and James H. Webb, both of whom were his personal as well as Masonic friends.

December 9th, 1892, he was married to Miss Claudia Holt, who, with a son, William H. Oates, and a daughter, Mrs. H. L. Ashley, all of whom survive him and mourn the loss of the devoted husband and father.

While we mourn the loss of a Brother Mason, we sympathize with a community that has lost a citizen whom they often called upon to head their civic movements, and several times called upon him to represent that senatorial district in the General Assembly. All of these show the esteem in which he was held.

His funeral was held from the First Presbyterian Church of Hendersonville, of which he was a member, and likewise of which he was a deacon, the interment taking place in Oakwood Cemetery, Charlotte, N. C., where his parents were buried.

We mourn the loss of a good citizen, a just and upright man, a devoted husband and father, and a loyal and steadfast Mason.

Fraternally submitted,

J. C. BRASWELL

The following supplementary report of Committee No. 2, on Charters and Dispensations was presented by Assistant Grand Lecturer J. W. Patton and was read and adopted:

We recommend that Fleetwood Lodge, U. D., in Ashe Co., be continued under dispensation, by their request.

J. W. PATTON,
J. F. MARQUETTE,
W. C. WICKER,

J. W. ROWELL,
J. L. NELSON

On motion of Bro. R. C. Dunn, it was ordered that a committee be appointed to investigate the advisability and practicability of restoring the Lodge at Halifax, North Carolina, where Joseph Montfort is buried, and that this committee be appointed by the incoming Grand Master. The motion was adopted.

Grand Custodian Leon Cash submitted the following report of the Board of Custodians, which was adopted:

To The Most Worshipful Grand Lodge of North Carolina:

The summer meeting of the Board of Custodians and Grand Lecturers was held at Lenoir the last week in August, 1922, at which all members were present except Chairman Jno. E. Cameron, who was prevented from attending by serious sickness.

The uniform work was thoroughly reviewed in a three days' session in a very satisfactory manner. Bro. J. M. Barber, of Mt. Hermon Lodge, No. 118, Asheville, presented a certificate of proficiency from Assistant Grand Lecturer Jeff L. Nelson and requested an examination by the Board. Brother Barber passed a satisfactory examination and was recommended to the Grand Master for appointment as an Assistant Grand Lecturer.

Many courtesies were shown the various members of the Board by the Brethren of Hibriten Lodge, No. 262, one of which was a delightful outing to Blowing Rock. The night sessions were thrown open to the local Masons, all of whom were thoroughly interested in the work. The first and third degrees were conferred at these night sessions.

We thoroughly appreciate the presence of R. W. Hubert M. Poteat, Deputy Grand Master, who was present at all the sessions and contributed much to the pleasure and profit of the occasion.

The January meeting was held in Raleigh, Monday and Tuesday, January 15 and 16. All members were present at the January meeting except Grand Lecturer R. F. Edwards, who was detained at his home because of serious illness among members of his family, and Bro. S. N. Boyce, who was detained by pressing business engagements.

The reports of the Grand Lecturers show more work than usual had been done during the year. The Lecturers have wrought faithfully and well, but it was a distressing fact this year, and all years, that so small a number of the many Lodges avail themselves of the services of the Lecturers.

Tuesday, through the courtesy of Bro. John D. Berry, Grand Secretary of the Grand Lodge of Odd Fellows, a School of Instruction was held in the Odd Fellows Hall and all the degrees were exemplified by the Grand Lecturers, with other assistance, under the direction of the Custodians. There were present a large

thoroughly interested audience of Craftsmen, and the unusual and outstanding feature was the correct and impressive exemplification of the third degree with R. W. Hubert M. Poteat acting as Master.

For the benefit of Brethren interested in the uniform work, attention is again called to the fact that Tuesday preceeding the annual communication of the Grand Lodge, morning and afternoon sessions are held, and it is the intention each year to exemplify every part of the work possible for the benefit of any and all Brethren who can arrange to be present. This is a good opportunity to improve in knowledge of the ritualistic work.

The painstaking and efficient work of the Lecturers is heartily approved and each and all are recommended to the Grand Master to be recommissioned for the ensuing Masonic year.

Respectfully submitted,

J. E. CAMERON, *Chairman*
LEON CASH, *Secretary*

Prayer by Grand Chaplain.

Hymn "Faith of our Fathers."

The following address of welcome was then delivered by B. W. Parham:

Most Worshipful Grand Master, Brethren of the Grand Lodge, Ladies and Gentlemen:

I sometimes make a little speech, but I never yet attained the dignity and importance of delivering an address. I don't think that I could even deliver an address of welcome. But I am here on behalf of the Masons and citizens of this community to bring you greetings and to say that we are glad to have the Grand Lodge and every single visitor of this throng here today. This is the greatest day of the year for Oxford. This is the most hallowed spot in our county. Every one of you have an interest in this day and this institution, and you are where you ought to be.

Here on this spot, a half century ago, John H. Mills, the father of the orphanage work in North Carolina, had the dream of a great heart. I think that it must have been something like the dream of Jacob of old, and about here somewhere he saw a ladder let down from Heaven and angels ascending and descending. Here he saw the Gates of Heaven. This was his Bethel, and here he built his altar.

Here on this spot North Carolina Masonry caught its vision of its larger and broader opportunities and duties. This is the Mecca of North Carolina Masons. Here throbs and swells the great heart of Masonry. Here modern Masonry justifies its existence and glorifies itself. For the chief glory of Masonry is not its unique and thrilling history, running back through the sunshine and gloom of the centuries. It is not its state-ly ritual, nor the gold and purple of its official insignia. It is not even in its emblem of innocence, pure and spotless though it be. The true glory of Masonry is in the fact that in the midst of the shouting and tumult of a rushing world, it stopped and heard the cry of the lonely child.

This institution, the mother orphanage of North Carolina, is Masonry's answer to that cry. And I can think of no place on earth at which a North Carolinian, Mason or not, would rather be, or has a better right to be, than at the Oxford Orphanage today.

This institution is the incarnation of justice and democracy. I couple them together for in their final analysis these terms are synonymous. For what, pray, is Democracy but simple justice? It is the giving to each member of society his rights in the government under which he lives, and his chance to participate in, and contribute to, its institutions. Every child in North Carolina without a fair chance in life is a challenge to our sense of justice and to our democratic ideals.

I love to think of this Orphanage as Masonry's monumental answer to that challenge. We sometimes hear pathetic pleas made for the poor, homeless orphans; we often refer to our orphanages as charitable institutions, and men, with the best of intentions, make piteous appeals for the Orphanage work. We have had enough of this

sort of thing. Away with it. There is nothing pitiful about this institution.

Listen a moment. Out there among that four hundred boys and girls, blood, just as good as yours and mine, is coursing through bodies that are being kept clean and healthful; minds, just as bright as yours or mine, are being trained and developed; and souls, just as precious as yours or mine and just as capable of great impulses and noble aspirations, are being unfettered and made free. And these things are being done not from any sense of mawkish sympathy or pity, but because deep down in the heart of North Carolina Masonry there is a God-given sense of justice. These boys and girls have a right to everything they are getting; and we are simply trying to give them their rights. Call your capitols Shrines of Democracy and your court houses Temples of Justice! I say to you that this institution is the cherished abiding-place, the very home, of justice and democracy.

Here is Americanism at its very best—the insurance of equal rights to all; the guaranteeing to every child an opportunity to grow and develop and to burgeon out the best that is in him. Why, most Worshipful Grand Master, there is more real Americanism here today than the Congress of the United States, with all its narrow, partisan selfishness and bickering, will write into its record in a year.

And as this institution is the incarnation of justice and equality, so is it the embodiment of man's humanity to man. There are far finer things here than these buildings of brick and stone, or these green lawns and beautiful trees. Money could put them here. But, ladies and gentlemen, money of itself never did, and never can, build an orphanage. Somebody has to give his life here. Somebody has to love this institution. Why, you might give this institution all the money in the country and take away from it the sympathetic support and affection of the men and women who love it, and this would be the loneliest and most desolate hill in all the land when the sun goes down today.

If I may make one plea in my little speech, it is that together with your money, you give this institution and these boys and girls a bit of your heart. Not your pity. But honest-to-God North Carolina love and affection.

This is a good place to be today. You are on soil dedicated to the highest and best of American ideals. You are seeing justice and democracy in their purest forms. You are seeing humanity at its very best. You are seeing Christianity, if you please, at work in the world,—the will of God being done on earth. From their home in the abode of the blessed, I think a throng of sainted mothers and fathers look down in grateful love upon this scene today; and clear above the celestial music that swells about the Great White Throne come the words of the Master, "Inasmuch as ye have done in unto one of the least of these, ye have done it unto Me."

Most Worshipful Grand Master and Brethren, ladies and gentlemen, I bid you welcome. I know that you are here with your hearts chastened and your souls uplifted. I know that you are here to pledge yourselves anew that this great mother institution, reaching out over North Carolina, gathering the fatherless under her wings as the hen gathereth her brood, shall continue her great work of humanity and justice until all mankind shall follow a little child back to the throne of God.

Junior Grand Warden Leon Cash made response to the Address of Welcome.

Song—"America."

Rev. C. K. Proctor was then introduced and delivered the following oration:

THE PRESENT DAY CHALLENGE TO MASONRY

Masonry dwells today in its Golden Age, but with its triumph, there comes the weight of its heaviest responsibility. For more than two hundred years the foundations of Masonry have been planted in our land and State. The story of its development, progress and achievements, reads like the romance of a fairy tale. From small beginnings in New England and the South, Masonic Lodges are now among the institutions in every State of the Union.

Promulgated by English Royalty, fostered by America's foremost Revolutionary leaders, cherished by the statesmen through the years, Masonry has commanded the interest and devotion of the best our Country has pro-

duced. Wealth in property and institutions; power in influence and endeavor, respect and admiration, crown to-day a victorious development. The Square and Compasses, with the insistence on the Fatherhood of God and the Brotherhood of man, is a badge of honor in any position.

From small beginnings, amid crude surroundings, two hundred years ago, Masonry in the Old North State has grown to a power represented by 37,000 men. Schools, temples of Justice, Colleges, Universities and Churches bear the stamp of its emblem on corner stone and in finer elements of character in the manhood of the State, Masonry has made its contributions and left its imprint. No longer do we stand as a trembling, fearful, growing infant but a full grown specimen of strength and power.

Masonry has never failed in its contribution in the past. With the early settlers on our shores its spirit and conduct of helpfulness were always felt. Without a cheap bitterness, the spirit of Independence was fostered in early lodges and the American Patriot freely discussed and planned a new Nation and a New Flag within the confines of the lodge-room. Fifty-two of the fifty-six signers of the Declaration of Independence were Masons and the names of Washington, Lafayette and Franklin are prominent alike in Masonic as well as in Revolutionary affairs. Above the roar of battle from '76-'81, in trench and in hospital, among friend and foe, Masonry was silently a working force. With brother pitted against brother from '61-'65, Masonry's hand extended across the lines and felt the grip of brother Mason on the opposing side. To a Mason's widow and children, tenderness and consideration were given by friend and foe alike.

In Continental Assembly, in Legislative halls and at bars of justice, Masonry has spoken in the formation of the ideals and principles of the American Nation. Standing for separation of Church and State, for each man his open Book to learn of his God, for unhindered devotion and practice of his creed, Masonry has been the defender of Religion, standing for a "square-deal" on the principles of brotherhood, for equal chances for justice for all, for high moral code of ethics, Masonry has stamped its emblem in the laws of Nation and of State.

Standing for the curbing of individual passions and for self-improvement, for rising from dead selves to higher planes, for harnessing of the beast within and loosening the finer things of man's best self, Masonry has put its stamp on the character and manhood of the Land.

In practical ways of service, Masonry has heard the orphan's cry, has seen the widow in distress, has held out its strong arm of hope and support to old age and the falling, and has ever listened for humanity's plea on all sides and has always made a response which entitles it to the respect of all.

However, with all the glory of the past, Masonry never faced such a world as this is to-day, never faced such responsibilities as are now thrust upon it. Our Country has been a builder, with little aim in view but development, while a great lack of attention has been shown the basic fundamentals. The result is, a nation of wealth and power, beset with intrigue and undermining forces. New inventions have been made, lessening life's drudgery and harnessing the powerful forces of nature. Science, with a bountiful hand, has lavishly presented gifts to all phases of life. Agriculture, roadbuilding, industrial growth and development, transportation, mining, medicine and warfare, have all been transformed as if by magic.

Great hordes of people are amassed in large cities, flocks of immigrants have swarmed to our shores, capital and labor are organized into powerful forces, our commerce rides the bosom of every sea, philanthropy sends supplies to earth's starving, while a Christian nation strives to put an end to strife. The picture is still one of need; in every community new problems arise; in social, industrial, political and religious life, the call comes for help and new adjustments. Will our Nation stand the stress? Following the great war innumerable problems have arisen, problems that must be solved, or a nation must perish and pass.

With our small foreign population, the problems of our own State are not so complex as elsewhere; but a great State has awakened and leavening influences are in demand. With one out of every fifteen men a Mason, have we not an element of hope, do we not realize the Challenge? Shall our great fraternity be found lacking in a

time like this, shall we not see the solution and throw ourselves, to a man, into the task and set for coming generations of Masons a standard comparable with its record in the past. Equipped with adequate working tools the Mason's work has barely begun.

Answering the orphan's cry, Masonry takes its place in the lead of caring for the twenty-five hundred children in orphanage institutions of the State; but five thousand more need the touch and cry in their despair for leadership to higher things.

Tottering old age feels the strong protection of our order and scores are benefited; but how many hundreds wait?

The character and manhood of our citizenship secure training in self-mastery and learn the lesson of the "square-deal" for all in many lodge rooms of the land; for after all the strength of a people is the character and manhood of her people. The principles of brotherly love must be embedded in every heart and then our problems will be solved and be solved aright.

During the last few years and particularly in the last few months, the need and cry of the nation has been for trained leadership of the proper sort. A new emphasis has been properly placed on education. As a Nation, we have made strides, as a State, the development along educational lines is like a dream. Masonry has stepped into the ranks and seeing the vision with the rest, attempts in no uncertain way to provide a Christian educated leadership as a long step in the solution of our problems. From Blue Lodge to the highest orders, funds are provided, committees are at work, worthy young men and women are assisted and the effort has only begun. In our Old North State, in the year just closing, more than a score of our choice young men and women have been assisted in their work of higher education.

To solve our problems, 'tis a question of the right sort of leadership; these are to be found among our real true Americans, these are to be trained in our own institutions of learning, these are to receive this vision and heart impulses only in Christian education.

Masonry calls us to be men, sound manhood is needed today, men who can be depended upon to stand for the principles of brotherly love in every test.

"Men who serve not for selfish booty,
But real men, courageous, who flinch not at duty,
Men of dependable character, men of sterling worth;
Then wrong will be redressed, and right will rule the
earth;
God give us men."

Our organization has the power of many thousands of men, good men. This represents a powerful organization for good anywhere, this carries a large responsibility. Neglect it and we are condemned. We are duty bound to aid, we must catch the vision of the needs about us. We must see the hope in the trained Christian leader; we must see the need of character among our people and bending to our tasks let Masonry be found in the front lines with them who labor in new emphasis upon the task of education.

The Grand Marshal reformed the procession and the Grand Lodge returned in a body to the Hall.

On motion the thanks of the Grand Lodge was extended to Bros. B. W. Parham and C. K. Proctor for their magnificent orations and they were requested to furnish copy of same for publication in the Proceedings of this communication and of the Oxford Orphan Asylum.

The minutes were read and approved. There being no further business the Grand Lodge closed in ample form.

Judge Alfred Moore of Brunswick,—
The sev'nteen eighty-fourth year of Grace,
Eight of our Independence,
From Cumberland's ample western flank,
Our fathers clipt this goodly spread,
And named it MOORE for thee.

One hundred eight and thirty years,
A year less than the patriarchal age,
That marked the Pilgrimage of Father Jacob,
Who, famine pressed, to Goshen fled,
And was asked by Egypt's Pharaoh,
Israel, "How old Art Thou?"

But Judge Moore, we are youthful still,
With primal vigor fresh upon us,
In wooing pride we meet today,
To weave fresh laurels for thy name
And dedicate a Tabernacle
To the Majesty of Law!

'Tis a far cry from the first
Log biggin of Feagansville
To the baronial and princely pile
Of which we lay the corner-stone
In the Holy Name of the Great God
Of Counties, States and Nations!

Between that far off day and this
There pass before our pensive minds,
In retrospection wondrous clear,
Throngs of brave and honest men,
Arrays of fair and virtuous dames,
The native strength of MOORE.

Perhaps our grandest compliment
Of fourteen fulsome decades past,
Is Woman's Sharp Awakening
From the sleep of age-long servitude,
To that exalted present sphere,
Of electors at the polls!

And down the vista of unborn years,
With prophet's eye we view as clear
As Macbeth scanned the line of kings
From Banquo's royal progeny;
Our future county officers
Shall be our Lovely Women!

No longer shall the Brawny Strong
Usurp the choicest Honor Seats,
And elbow out Superior Worth,
Because her frame is slighter wrought;
A nobler era now has dawned,
God's Blessing on our Women!

As logs give place to polished stone,
And primal huts to temples fair,
Unlettered swains to knowledge run;
May our crude thoughts on fleeter wings,
Ennobled, rise to better things:
O, LORD OF HOSTS, AMEN!

The following address was delivered by Bro. W. H. Fraser:

Most Worshipful Grand Master, Members of The Grand Lodge of North Carolina, Brother Masons, Ladies and Gentlemen and Boys and Girls who are to be the future men and women of Gastonia:

I appreciate beyond expression the honor that is conferred upon me by the invitation to deliver the oration upon this occasion. I am reminded, however, of a story located in Gastonia. Upon a recent occasion, the telephone of a prominent citizen of your town rang vigorously and, when he lifted the receiver, he recognized the voice of his young seven-year-old boy, who asked, "Who is that?" In a spirit of playfulness, the father replied, "The smartest man in the city," to which the youngster answered back, "Excuse me, Mister, but they have given me the wrong number." I fear you have gotten the wrong man, if you expect me to live up, on this occasion, to the splendid introduction that has been given me by Senator Mason.

Standing here upon the foundation floor of this splendid building-to-be, I am thinking of that spirit of progress and loyalty to the highest principles of American liberty and political genius that has animated the citizens of this city. It manifests the fact that you are in line with the great American (progress), as announced by Commissioner of Education John J. Tigert, on recent oc-

casion, when he declared that the program of America to-day is to give an education to all the boys and girls of our country. I am sure that you will be impressed with the timeliness of such a program when you read statistics that tell us that only about 40% of the boys and girls to-day are taking the Grammar School courses; and that less than 10% are taking the courses through the High School. There can be nothing than evil in store for that country which allows economic interest to becloud its obligation for the thorough training of its youth.

In addition to this, I am sure that you are making a contribution to the future stability and strength of our country. We boast of a democratic government: the government "of the people, for the people and by the people;" and I am happy to be under such a rule. But I tremble, ladies and gentlemen, at the thought of the future of a country with its foreign-speaking and foreign-thinking people, and with 90% of its constituency coming into the office of a governing people who have not had preparation for life's duties through the classes of the High School in our educational system. Mr. Woodrow Wilson set before America and the world the high ideal of "making the world safe for Democracy," and to this end we sent the choicest of our sons to contest the advance of a foreign foe; and poured by the billions our wealth into the sinews of war; but there needs to arise another who will challenge the attention of the world with this great ideal: "the making of the world safe with Democracy." I tell you, ladies and gentlemen, it is only a short *descensus* from the level of an uneducated Democracy to the level of a Russian Bolshevism. The wise man cried, "Woe unto thee, oh land, when thy King is a child"; and, well may we understand that childishness is in authority where ignorance and illiteracy abound!

This building, from what I observe of its plan, and from what I have heard from conversation with the Chairman of your Building Committee, has fallen in line with the new program in education. It is a pledge, not to the providing of shelter of just some kind, and instruction of just any kind, in order that boys and girls herded together may learn the rudiments of an education; but, with its modern appointments, and with its splendid plan and equipment, I take it that it is the

building of manhood and womanhood to which it is pledged. It is in order that boys and girls may become men and women in the full possession of their powers, developed and balanced, and so regulated as to be able to express themselves in the highest degree of efficiency.

I look from this point of elevation to the various parts of your city and into some of the outlying territory, and there comes to my mind that figure from the lips of the kingliest teacher of all the ages: "A city that is set on a hill cannot be hid;" and I am thinking that your beautiful and progressive city is not only set upon a hill, but lifts to its highest peak this symbol of its enlightenment, that its rays may shine unto the uttermost parts of your city, your country, and commonwealth. And, to change the figure, I am thinking of that holy edifice from underneath which issue the streams that went out to gladden the City of God. From this fontal source of influence and of enlightenment may there go forth the real education that will bless mankind. I bid you God-speed in your splendid program, and crave His richest blessing upon your every effort.

The Grand Marshal then reformed the procession and the Grand Lodge returned in a body to the Masonic hall.

The minutes of the communication were then read and approved.

**Reports of
District Deputy Grand Masters**

FIRST MASONIC DISTRICT

ELIZABETH CITY, N. C., January 12, 1923

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

MOST WORSHIPFUL GRAND MASTER: I herewith submit my report for 1922.

But first, I beg to acknowledge my sincere appreciation of your very hearty co-operation and assistance.

I have visited every Lodge in this district except two.

These, at Coinjock and Wanchese, are difficult to get to, and I didn't make a great effort to get to them. It cannot be truthfully said that there is more than a normal interest in Masonry in this district, though I am convinced that the ballot box is being watched closer than usual, which is as it should be.

Bro. Jeff Nelson has put in six weeks' good work in this district this year. A notable improvement is seen wherever he has lectured, not only in the work, but there seems to be a much better understanding of the precepts of our Honorable Institution. As you know, I have kept you posted as to conditions in this district, and a long-winded report, quoting the sayings of better men than I, is entirely unnecessary and uncalled for.

Here's hoping that I may gaze upon your smiling countenance at Raleigh, and also hear our beloved "Bill" Willson roar some.

I am,

Yours fraternally,

CHAS. M. GRIGGS,

D.D.G.M., First District

FOURTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

To make a detailed report of the condition of Masonry in the fourth Masonic district would entail almost an impossible report. The great Fraternity of Masons in Halifax and Northampton Counties are average men, but not what the Fraternity would have, I am afraid. I find that the majority are not very enthusiastic but rather lukewarm as the attendance at the majority of

the Lodges that I have visited has been very small and, although I found that what few were present manifested an interest in the work, the percentage was so small that but little could be accomplished. I wish to state that I was always received in a most cordial manner and that all of my visits were very enjoyable.

I visited Rich Square Lodge, No. 488, on the afternoon of August 11th and found a fair attendance. The Lodge was opened and first degree exemplified. I found that the Lodge was badly in need of a Lecturer, as none of the work either in opening and closing or in the degree work was at all good. I would recommend that they be required to have a Lecturer in the near future.

I visited Scotland Neck Lodge, No. 470, on the night of September 26th, and found only enough Masons present to open the Lodge. Neither Master, Senior Warden nor either of the Deacons was present and but seven members of the Lodge present. All of the offices had to be filled from the floor with the exception of the Junior Warden and Secretary. I could not, of course, tell anything about their work as no degree work was exemplified. I would recommend that this Lodge be required to have a Lecturer and try to stimulate some interest, also that the officers be notified that more interest must be shown the Lodge.

I visited King Solomon Lodge, No. 56, on the afternoon of October 11th, and found a fair attendance. No degree work was exemplified, but the opening and closing was fair. This Lodge is in very good condition.

I visited Seaboard Lodge, No. 378, on the night of October 11th, and found fair attendance. No work was exemplified, but I found the opening and closing to be poor. I would recommend that this Lodge be requested to have a Lecturer as soon as possible.

I visited Potecasi Lodge, No. 418, on the afternoon of October 12th, and found a very good attendance for a country Lodge. The members seemed to have more interest in the good of the Lodge than in any Lodge that I had visited to that date. No work was exemplified and the opening and closing was fair. I recommended to them to have a Lecturer as soon as they could.

I visited Pendleton Lodge, No. 524, on the night of October 12th, and found very good attendance. This

Lodge has great possibilities as they have live men in their offices and should soon be doing good work.

I visited Roanoke Lodge, No. 203, on the night of November 29th, and found a very small attendance. This may have been occasioned by the fact that the Master expected me to have visited the Lodge the previous week. No degree work was exemplified and the opening and closing was only fair. Roanoke Lodge should do good work and if they were to have a Lecturer to assist them they could.

I visited Widow's Son Lodge, No. 519, on the night of December 7th, and found a small attendance. The first degree was exemplified in a creditable manner. I believe this Lodge to be the most lively Lodge in the district. They have at present mapped out a program for educational work for the entire year. This I would recommend to all the Lodges of the State. I wish to commend to you Widow's Son Lodge, No. 519.

I visited Royal White Hart Lodge, No. 2, on the night of December 12th, and found a small attendance. Royal White Hart Lodge has a very small membership and this is scattered. I believe that the members in the neighborhood are interested in their Lodge and want to see it progress but they have little to draw from. I will make recommendations for this Lodge later in my report.

I have visited Enfield Lodge, No. 447, a number of times and find the usual attendance fair. Enfield can do good work, but needs being pushed to have them do the work they are capable of doing.

I have tried to explain to the several Lodges in the district at my visits the importance of the educational program as a means of helping Masons to live up to their obligations and also as a means of increasing the regular attendance. I believe the Grand Lecturers can do a great deal to assist in this work as well as to instruct the officers in the catechism. I also tried to impress them with the importance of assisting in the completion of the Wm. J. Hicks Memorial Hospital and Geo. Washington Association.

I held the district meeting for this district with Enfield Lodge, No. 447, on the afternoon of October 5th. At this meeting the Educational Movement, the Wm.

J. Hicks Memorial Hospital and Geo. Washington Association were thoroughly discussed. At night, Enfield Lodge, No. 447, exemplified the third degree. The district meeting went on record asking that the Grand Lodge be asked to assist Royal White Hart Lodge, No. 2, in preserving their Lodge-room. Royal White Hart Lodge-room is the oldest Masonic Lodge building in the United States and possibly in the world and has in it the furniture and Masonic Emblem brought to the Colonies from England. This building and these articles or rather relics of the first and only Provincial Grand Master of America should not be allowed to go to ruin for a suitable building to keep them in. I, therefore, recommend that each Mason be assessed through his Lodge to be paid by the subordinate Lodge the sum of twenty-five cents for this purpose, and that the Grand Lodge have charge of the repairing and expending of said money.

Respectfully submitted this 14th day of December, 1922.

FIFTH MASONIC DISTRICT

GREENVILLE, N. C., November 12, 1922

*To the Most Worshipful Grand Master of The Grand
Lodge of North Carolina:*

MOST WORSHIPFUL SIR AND BROTHER: I am inclosing reports from the Lodges comprising the fifth Masonic district. The reports of Greenville, No. 284, and Grimesland, No. 475, Lodges are not here. They have not responded to my request for the information desired.

The demands of my own work and the pressure of the tobacco season on the farmers and business men of the district made it impractical for me to visit the Lodges in the early Fall. "Flu" and bad weather and roads made it impossible in November and December.

The attendance, the number "raised," and the large amounts of unpaid dues, as well as the reduced contributions to the Orphanage are indexes of lowered vitality.

We had an interesting and inspiring district meeting, August 11, Sharon Lodge being host. These district meetings are growing in interest and value. We have been emphasizing "Masonry and its Relations to Good Citizenship."

This Fall, I have been planning a series of group meetings to be held in central points, to promote fellowship, and to awaken the individual Mason to a sense of his responsibility as a citizen. A Mason by definition is a *builder*. A builder is a constructive agent. If a Mason is not a constructive force in his community, he is not a real Mason; he is simply a member of some Lodge. If a Mason is to be a builder in his community, he must be made intelligent with reference to the forces and agencies at work in his community for the public good so that he may intelligently line up with and co-operate with them instead of, because of ignorance, hindering and opposing them. This to me is "Light in Masonry." Our Masons must be a more positive force for right living and good citizenship.

We held our first group meeting at Ayden, December 4. Grifton and Winterville Lodges were invited. Our subject was "What a Mason should know about the Schools of Pitt County." President Wright of the Teachers' College, Greenville, and Supt. Fitzgerald of the Pitt County Schools, both Brother Masons, brought a larger vision and a larger conception of the work of our schools and the problems confronting those entrusted with their management. All present felt that the meeting was most worth while, and that they as Masons and citizens could act more intelligently. A most enjoyable social half-hour followed.

Six of the Lodges in the district have had the advantage of a Grand Lecturer during the past three years. One has had the assistance of a Brother well skilled in the work. All but two are able to pay for such assistance,—Shelmerdine and Temperance Lodges.

My own personal opinion, if I may be allowed to express it, is that it is not more ritual perfection that we now most need in our Lodges and for our members, but it is a larger conception of Masonry, a Masonry that will inspire us to live it, and make it function in our everyday living. This can best come through a pro-

gram such as the Masonic Service Association has so admirably been working out and which is standing the test where adopted. By all means let us have real "Light in Masonry." Let us develop a true conception of what it means "To set the Craft to work, giving them *proper instructions* for their labors."

Fraternally submitted,

H. E. AUSTIN,

D.D.G.M., Fifth District

SIXTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

I presume that conditions in the sixth are very similar to those prevailing in almost every other district as regards the services of the Grand Lecturer and assistants. The larger towns or small cities obtain help almost annually, while the smaller Lodges have worried along from year to year, depending upon some old landmark in the Fraternity, or else calling upon the more active and better informed Brethren (officers of the city Lodges).

The percentage is about fifty, that is half have had the services of a Lecturer during the past two years, while the remainder has done without, though in some of the latter cases the newly elected officers have received coaching from others who have had an opportunity to get the work.

The matter of finance and accessibility is responsible for those Lodges which have not had Lecturers. I have thought seriously along these lines and sometimes I have reached the conclusion that a cipher furnished by the Grand Lodge, one copy to each subordinate Lodge and that to the Master, is the only solution for uniformity in the ritualistic work. While on the other hand it must be possible to solve the financial difficulty in some way, probably by a small per capita thereby enabling every Lodge to enjoy the privilege of having a Lecturer at least every two years. This might be simplified by the Grand Master sending a Lecturer into each county, then ordering the Master and Wardens of every Lodge

situated in that county to attend for at least three or four days. While this would in no wise help as much as the individual work, it would undoubtedly accomplish some good.

In this particular district, it has always been my custom and this is but following Brothers Griffin's procedure to carry along a few who were sufficiently informed to assist me in conferring either of the degrees and if work was to be done and I was requested to put the work on we had the satisfaction of knowing that the work was done in an exemplary manner.

I am certainly glad to be able to report that the district is in good shape, that peace and harmony prevail and that the response to our charitable work and the educational meetings has been very encouraging. A more complete report will be forwarded at an early date.

At this time, I desire to offer the suggestion that the Grand Secretary should annually get out a form letter containing any new decisions, any changes in the code including resolutions enacted, etc., whereby our laws have been changed and mail a copy under the seal of the Grand Lodge to each subordinate Lodge to be read directly after the annual session. It is unfortunate that only about twenty-five per cent. of the Lodges have a copy of the code, but I presume that this will be corrected just as soon as the new code can be distributed.

Please pardon the length of my answer to your request for information. But I have endeavored to give an expression of my ideas.

Fraternally yours,

FRED B. CROWSON,

D.D.G.M., Sixth District

SEVENTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR BROTHER WEBB: In compliance with the request contained in your letter of the 24th, it gives me pleasure to report that the four largest Lodges in the

seventh Masonic district, viz: St. John's, No. 3, Franklin, No. 109, Ocean, No. 405, and Doric, No. 568, are all proficient in the standard ritualistic work. None of these Lodges is in need of the services of a Lecturer, though all of them are financially able to secure this service.

I regret that I have been unable to personally visit the other Lodges in my district so that I could write from first-hand information regarding them. From what I have learned by talking with their members, however, I believe that they could all, with the possible exception of Bayboro, No. 331, be much benefited by having a Lecturer. I am not fully informed as to their ability to pay for this service, but believe that most of them would have a hard time doing it.

In my opinion it would be advisable for the Grand Lodge to try and help those Lodges that are financially unable to secure a Lecturer, possibly by paying for his time, leaving the Lodge to pay the other expenses.

In this district there has been a noticable advance in knowledge as to the true meaning and purpose of Masonry, particularly in the larger Lodges. There is, however, much room for improvement in this respect among all the Lodges.

With kindest regards and pleasurable anticipation of meeting you at the Annual Communication of the Grand Lodge, I remain,

Faternally yours,

HARRY T. PATERSON,

D.D.G.M., Seventh District

ELEVENTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR SIR AND BROTHER: I am here making you my brief report of my work as District Deputy for this eleventh district.

I am mailing Grand Secretary W. W. Willson reports of all the Lodges in the district, except two, Red Springs, No. 501, and St. Pauls, No. 474.

I visited Red Springs, but the Secretary was away, and I did not get report. I left blank, but have not heard from same.

I visited St. Pauls, but had to detour and lost my road and did not reach there in time for meeting.

At all the other Lodges, I had good meetings. I did not put on very much degree work as it was a very busy season of the year in the district.

I have found conditions from fine to excellent throughout the district, perfect harmony, and no irregularities seen or heard from any of the Lodges or Brethren.

A good many of the Lodges in the district have not had Lecturers in the last two years or more, and are very much in need of same.

Most all have to pay rent for their halls and are not financially able to have Lecturers as often as they should.

In conclusion, I thank you very much for the confidence reposed in me, and with kindest regards for your personal happiness, I am,

Fraternally yours,

ROBERT INMAN,

D.D.G.M., Eleventh District

TWELFTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

MOST WORSHIPFUL SIR AND BROTHER: I am pleased to report that the Lodges in this district are practically all in good shape both in number and enthusiasm. I have been unable to meet with a few of the smaller Lodges on account of being unable to get a meeting when I would be there. There are two Lodges in the district that are not meeting as often as they should, and I have been working among the individual members trying to work up an interest and in a few cases have succeeded and hope to have them coming out more frequently to their meetings.

The larger Lodges, viz: Rockingham, Hamlet, Carthage and Southern Pines are in good shape and doing

a great work. And two or three of the smaller Lodges while not so large in number are also doing good work and have their work at heart.

We have held two joint meetings during the year, one at Rockingham when members of six different Lodges in the district were present and we had some very interesting talks along the educational line. Also, one at Hamlet when not so many Lodges were represented but a very enthusiastic meeting along the same line. I had expected to have more but have been prevented from doing so because of business interests interfering.

I find most of the Lodges just fair in ritualistic work and some have had Lecturer while others have not. In most cases in this district the Lodges are financially able to secure Lecturers, but have been negligent in doing so. I believe, however, it would be a good plan if it can be worked out, to supply each Lodge with a Lecturer, making it compulsory for the officers at least to attend. With this, I believe, we would soon find an improved interest in the work and each man would be trying to get the work more perfectly than his Brother.

Taking the district as a whole, I believe Masonry is on the improve and more interest is being shown by a larger number of Brethren. We have increased in numbers as well.

Fraternally yours,

H. P. AUSTIN,

D.D.G.M., Twelfth District

FOURTEENTH MASONIC DISTRICT

DUNN, N. C., January 13, 1923

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

MOST WORSHIPFUL SIR AND BROTHER: I am tonight mailing to Bro. W. W. Willson my inspection report of Greenwood Lodge, No. 419, Phoenix Lodge, No. 8, Palmyra Lodge, No. 147, and Neill S. Steward Lodge, No. 556. Regret that I could not have the pleasure of visiting all the other Lodges in the district as I had anticipated doing.

Several of the Lodges in our district have been lectured during the past year, although there are some of our Lodges that are badly in need of a Lecturer. I am informed that at least one Lodge in my district has not been lectured in sixteen years. I urged them to secure a Lecturer as early as possible. While this is true of the above Lodge, I am glad to report that Masonry has been doing more for mankind during the past year than at any time previous; and with the adoption of the recommendations which you suggest in your letter of the 12th inst., and putting them in effect, I feel that Masonry in North Carolina is assured a golden future, and it gives me pleasure to endorse each one you mention.

In my visits, official and otherwise, I have urged the need of funds for the hospital building under construction at Oxford, and I may state here that this district has not done all she intends to do along this line yet. I also call to the attention of the Lodges the educational program as put forward by the Educational Committee of the Grand Lodge, and urge it as a great stimulus to better work, and to a higher conception of the true Masonic spirit and teachings among men.

With best wishes for your health and happiness, I am,

Fraternally yours,

JOHN A. JERNIGAN,

D.D.G.M., Fourteenth District

FIFTEENTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR BROTHER WEBB: Your letter of the 25th came during my absence, hence the delay in answering.

There are very few Lodges in this district that are financially able to employ a Lecturer for the time it would require them to be perfect in the standard ritualistic work. Scarcely any of the Lodges in the rural districts know the work well enough to impress the candidate when conferring the degrees.

Your idea of supplying Lecturers to these Lodges, I think, is a capital one and unless something of that

kind is done, I don't see how they are ever to learn the work.

But my work and health have prevented my attending the meetings in many of the rural Lodges. All of which I regret very much, but my knowledge of them last year, and reports from those who have attended them is sufficient for the above statement.

With best wishes,

Fraternally yours,

W. S. Cox,

D.D.G.M., Fifteenth District

SEVENTEENTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR SIR AND BROTHER: In answer to your esteemed favors of the 24th ult. and the 11th inst., I beg to say:

The general condition of the various Lodges in my district is good. Some of them have had a Lecturer during the past year and have been greatly benefited thereby. The majority of the Lodges, however, have had no Lecturer for the reason that they were not financially able. If it could be so arranged to supply regularly Lecturers to each Lodge, instructing them as to the true meaning of Masonry as well as in the standard ritualistic work, the order would be greatly advanced.

In my opinion, in spite of the absence of Lecturers as aforesaid, the conditions in this district have been considerably bettered by Masonic activities under your excellent administration.

With high personal regards, I am,

Fraternally yours,

STANLEY WINBORNE,

D.D.G.M., Seventeenth District

TWENTIETH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR BROTHER WEBB: I wish to offer my sincere

apologies for my failure to reply to your letter of December 11th. I was out of the office for several days before Christmas, and before the holidays were over, I fell victim to the flu.

As to the need of a Lecturer to visit Lodges in this district, I wish to say that, in my judgment, nothing would be of quite so much benefit to the Masonic cause in general as an annual visit to each of the Lodges by one of the assistant Grand Lecturers. The work done by most of the country Lodges is very poor. They do the best they can, but many of them have not had a visit from a Lecturer for a number of years.

There are seven Lodges in the twentieth district, and four of these have had a Lecturer during the last four years. Three of them have not had a Lecturer for many years. Two of the Lodges are able to secure a Lecturer almost every year. The others are not able to do so without a somewhat undue burden upon themselves.

I do not quite see how we can manage to supply Lecturers to each Lodge without a considerable financial burden upon the Grand Lodge. However, with good roads and plenty of Fords, men in the country are able to attend meetings almost anywhere within the radius of 10 or 15 miles, and it has occurred to me that perhaps certain points might be designated by the Grand Master for the holding of classes of instruction by the Grand Lecturers, and that the officers of a number of Lodges might be directed by the Grand Lodge to attend these classes. I suppose it would not be well to make it compulsory, but certain demands could be made by the Grand Lodge which the members could carry out to the best of their ability, and do so willingly. Some of the better informed Masons in the vicinity of these schools of instruction could be called in to assist in the work, and it seems to me that we might get something done that would really be worth while.

Again offering my apologies for my apparent neglect, I am,

Fraternally yours,

BENJ. W. PARHAM,

D.D.G.M., Twentieth District

I made an effort to interest all the Lodges in Masonic education. There is a great need of this. I fear too many content themselves with being able to confer degrees creditably. In some instances, there are evidences of lack of leadership in the Lodge. Success depends largely on leadership after all. I am convinced that we should put forth more effort to teach what Masonry really is. As a building can be no stronger than quality of material used, we, therefore, should be cautious as to the quality of the material selected for Masonry, if we shall expect our Fraternity to withstand the test in the future as it has in the past.

Respectfully submitted for your information,

Fraternally,

J. S. ARMSTRONG,
D.D.G.M., Twenty-eighth District

THIRTIETH MASONIC DISTRICT

WINSTON-SALEM, N. C., November 28, 1923

To the Most Worshipful Grand Master of The Grand of North Carolina:

DEAR BROTHER WEBB: Replying to yours of November 24th.

My observation of the Lodges in the Thirtieth District is that all are able to secure the services of Lecturers, and that they are securing the services of a Lecturer at least once a year, with the possible exception of Farmington Lodge, No. 265.

However, Farmington Lodge, No. 265, has taken on new life during the past year. They have built a new brick home and are taxing themselves to the limit to pay for same. There are some very bright Masons, of the old school, in this Lodge. This was Brother Bahnson's Lodge and they know the work as taught by him. At the dedication of their new home, they, with the help of some of the Brethren of Winston and Salem Lodges, put on the third degree in a most creditable manner.

I think every Lodge should have a Lecturer at least once in twelve months, though I appreciate fully that many are financially unable to employ one.

I say without question that I believe that all Lodges in this district are well up on the ritualistic work and that they have a realistic conception of what Masonry is. This is due largely to the teachings of my predecessor, Bro. Leon Cash, who is also a Past Master of three of five Lodges in the Thirtieth District.

With most cordial regards, and best wishes for the Thanksgiving season, I am,

Faternally,

P. T. WILSON,

D.D.G.M., Thirtieth District

THIRTY-FIFTH MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR SIR AND BROTHER: I beg to submit the following report, as District Deputy Grand Master of the thirty-fifth Masonic district of North Carolina, viz.:

I have had the pleasure of visiting all of the ten Lodges in my district except one, Cranberry, and have been in close touch with them, all of which Lodges are located within the counties of Watauga and Avery. I find that most of them are in very good condition, however, I find one or two and possibly three in bad condition. I hardly know any remedy for them under present circumstances. Most of the Lodges had work and it was done in a splendidly good style. Some have grown in membership and out of excellent material.

The majority of the workers are young men and very enthusiastic in the work. Some of the Lodges are in very good financial condition while others are just about down and out financially. Some of the Lodges have had Grand Lecturers and some have not. The Lodges of this district are very scattering and hard to reach, hence I have failed to get any district meeting or group of Lodges together because of distance and very bad roads. I have done but little in raising money for educational work or for raising a fund towards the construction of the hospital spoken of in your former letter, for the reason of such close times and of high taxes. I think

the fraternal spirit is very good and that the general situation is fair in the district, but not so good as last year.

In conclusion, I thank you for the confidence reposed in me, and with kindest regards for you personally and officially, I am,

Yours fraternally,

J. H. HORTON,

D.D.G.M., Thirty-fifth District

THIRTY-SEVENTH MASONIC DISTRICT

SHELBY, N. C., December 11, 1922

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR BROTHER WEBB: Answering your letter of November 27th, I am very sorry that there are only three Lodges in my district consisting of eleven Lodges that can afford to pay for the services of a Lecturer.

The Lodges in my district are not very well versed either in the secret or ritualistic work and for that reason Masonry in my county is not going forward at a very rapid rate. I believe that the Grand Lodge should make some kind of arrangements either by assessment or taking out of the income of the Grand Lodge to pay for a Lecturer to visit our weak Lodges at least once in two or three years.

A Lecturer raises the standards and ideals of Masonry and creates a desire for good men to belong to the organization. I am sure that in a very short while you would see a great increase in the number of Masons of North Carolina that would be *real Masons and not merely men to wear a pin on the lapel of their coat.*

I will be very glad to back you up in any movement that you make at the Grand Lodge toward helping out these Lodges that really need help.

With kindest regards, I am,

Fraternally yours,

J. D. LINEBERGER,

D.D.G.M., Thirty-seventh District

THIRTY-EIGHTH MASONIC DISTRICT

*To the Most Worshipful Grand Master of The Grand
Lodge of North Carolina:*

MOST WORSHIPFUL SIR: I have had the pleasure during the Masonic year just closed to observe the workings of practically all the Lodges in this the thirty-eighth district, and have found them striving to carry out the instructions of the Lecturers in regard to the authorized work.

On October 12th, I held our district meeting at Saluda, at which time I organized a team from the various Lodges represented and exemplified the third degree and am pleased to say that this work was done in a very creditable manner. At this meeting we were honored by the presence of Bro. G. C. Ward, D.D.G.M., of Biltmore, N. C. We were also pleased to have several Brothers from Mt. Hermon Lodge with us, all of whom complimented us on our work. After the conferring of the degree, we repaired to the Charles Hotel where dinner was served by the Ladies' Aid Society of Saluda.

In my visits to the various Lodges, I have tried to encourage the educational work that is being pushed so vigorously by our distinguished Brother Taylor. But I am sorry to say I have found very little of this work being done in this district.

I have also insisted on the Brethren donating all they possibly could towards the erection of the hospital at Oxford.

With but one or two exceptions, every Lodge in the district is in need of a Lecturer, and I have been informed that one or two of the Lodges have made arrangements for one in the near future.

I find peace and harmony throughout the district which make one feel that real Masonic spirit still exists.

In conclusion, I wish to thank you and all those in my district for many courtesies shown me during the year just ended.

Yours Fraternally,

R. M. HALL,

D.D.G.M., Thirty-eighth District

THIRTY-NINTH MASONIC DISTRICT

*To the Most Worshipful Grand Master of The Grand
Lodge of North Carolina:*

DEAR SIR AND BROTHER: I am sending my report for the thirty-ninth Masonic district to the Grand Secretary today. I am very glad to have been able to visit all the Lodges in the district, and I think the majority of the Lodges in the Thirty-ninth district are doing very nicely. I am glad to report that I have been able to have all the Lodges in this district lectured by a Grand Lecturer, with the exception of one, as required by the Grand Lodge. I have also been in behind them in regard to dues, etc., that they must be raised to at least \$2.50 per year as required by the Grand Lodge, and at this time there are only two Lodges in this district that are charging under this amount and I have instructed them to raise to the required amount at once. I think a Grand Lodge fund should be provided for supplying Lecturers to the Lodges throughout the State. The Lodges could be assessed one dollar per member, and I think the necessary fund could be raised. And the Lodges should be lectured at least two weeks every year. I also think that a minimum of four dollars should be charged for dues. I believe a smaller amount than this is insufficient to run a Lodge, as it should be. I held a district meeting at Biltmore, Dec. 9th, 1922, and all the Lodges were represented and the meeting was very successful in every way.

I thank you for my appointment, and I am only too glad to have been able to contribute some effort to the cause.

With my very best wishes,

Fraternally yours,

G. C. WARD,

D.D.G.M., Thirty-ninth District

FORTIETH MASONIC DISTRICT

SPRUCE PINE, N. C., November 29, 1922

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

I have your letter of the 27th inst., inquiring as to the needs and ability of the Lodges in my district securing the services of a Lecturer.

All the Lodges in this district are very much in need of the services of a Lecturer, not only to instruct us in the standard ritualistic work, but we need instructions in the higher things in Masonry. I believe all the Lodges in my district are financially able and anxious to have Lecturers but have been unable to get them on account of them all being engaged. I understand that Brother Edwards is coming to this district about the first of June.

I believe it would be very profitable to Masonry in North Carolina for the Grand Lodge to send out Lecturers regularly, also to send out Orators, especially to the Lodges in the rural districts and small towns, where they haven't the talent that is usually found in the larger places.

I am very sorry to report that I have been unable to give but very little time to Masonic work this year on account of sickness and business pressure.

With kindest regards, I am,

Fraternally yours,

W. B. KESTER,

D.D.G.M., Fortieth District

FORTY-FIRST MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

MOST WORSHIPFUL SIR AND BROTHER: I beg to herewith submit a report of my work as District Deputy for the forty-first Masonic district. I have made more than the usual number of visits to the Lodges of Haywood County, and am glad to advise that all the

Lodges in this County have employed the services of a Lecturer this year. Two of the Lodges have had instruction for only one week, and while they should have had more, they did not feel that their financial condition would permit.

I have called a county meeting to be held in Clyde, December 27th, at which the several degrees will be conferred by the different Lodges and plans made for the educational work of the Grand Lodge. It is intended to discuss matters affecting the interests of Masonry in the county, and to hold these county meeting semi-annually on the days of the Sts. John, meeting with a different Lodge each time. I hope that under this plan the educational work will receive a great stimulus.

I have not visited any of the Lodges in Madison County, due in part to the inaccessibility of this county from Haywood and in part to the large amount of work in Haywood. I wish to sincerely urge that Madison be placed in the district with Buncombe and Jackson in the district with Haywood. Madison can easily be reached from Asheville by rail and auto, it being only a short distance from Asheville to Marshall, the county seat of Madison. This arrangement would probably make the work a little heavier for the Deputy in the Buncombe district, but Masonry would gain the more. While a glance at the map will show Madison and Haywood to be adjoining counties, yet in actual travel it is necessary to go from Waynesville to Asheville, thence to Marshall, and in some instances, as much as twenty miles or more by auto. I am sure that the interests of Masonry will be better served if this change can be made, as one county or the other must be neglected to some extent under the present alignment. Except for being situated in the mountains and for climatic conditions, Madison and Haywood have little else in common.

On the other hand, it is hardly an hour's ride by auto or rail from Waynesville to three of the Lodges in Jackson County or from Sylva to three of the Lodges in Haywood County. Both counties are traversed by the Asheville-Atlanta Highway and there is much travel between the two, and they have much in common.

By making this proposed change it will leave the districts affected as follows:

Thirty-ninth District, Buncombe and Madison.

Forty-first District, Haywood and Jackson.

Forty-second District, Macon and Swain.

I sincerely trust you may see fit to give this matter your attention.

While I have been unable to make a complete report of conditions in the whole of my district, due to its unsatisfactory arrangement, I am happy to report that in Haywood Masonry is on the Forward March.

With best wishes, I am,

Fraternally and sincerely yours,

L. E. GREEN,

D.D.G.M., Forty-first District

FORTY-SECOND MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

MOST WORSHIPFUL SIR AND BROTHER: I am today forwarding my inspection report of the various Lodges of the forty-second district to the Grand Secretary. There are some other things concerning the Order in the district, however, to which I wish to call your attention.

The various Lodges of the district are doing splendid work, and taking everything into consideration, I believe the Fraternity is in better condition than it has been in years. This seems to be the consensus of opinion among those with whom I have talked.

All the Lodges have employed the services of an Assistant Grand Lecturer except one and it will do so early next year. This one thing, I believe, has been one of the greatest forward steps the Lodges have taken, and I am sure much good will result with all of them using the same standard work. Some of the Lodges, however, have employed the Lecturer at a very great disadvantage on account of strained financial conditions. For this reason, I strongly recommend that the Grand Lodge take some action whereby these weak Lodges can be benefited without so much extra expense.

The educational movement has met with fairly good results, although there is still room for improvement. I believe another year, however, will see more interest along this line.

With best wishes for a happy and prosperous New Year, I am,

Fraternally yours,

C. Z. CANDLER,

D.D.G.M., Forty-second District

FORTY-THIRD MASONIC DISTRICT

To the Most Worshipful Grand Master of The Grand Lodge of North Carolina:

DEAR BROTHER WEBB: In reply to your letter of 27th. wish to state that the following Lodges of this district are very much in need of the services of a Lecturer:

Bellview, No. 416, Murphy, N. C., R. F. D. No. 2; Notla, No. 312, Culberson, N. C.; Montgomery, No. 426, Letithia, N. C.; Brasstown, No. 485, Murphy, N. C., R. F. D. No. 2; Marble Spring, No. 439, Marble, N. C.; Grand View, No. 608, Grand View, N. C.

None of the above Lodges have had the services of a Lecturer, at least not within the last fifteen or twenty years. Not only are they in need of instruction in the standard ritualistic work, but I fear a good many of the members of these Lodges have never conceived the real conception of what Masonry is.

All these Lodges tell me that they are unable financially to secure the services of a Lecturer. And here I wish to state that on my visit to these Lodges, I found that none of them (possibly with the exception of one) was charging the amount for annual dues required by the Grand Lodge; I instructed them to change their dues in conformity with the Grand Lodge, and if they do this, I feel sure they are able to pay for the services of a Lecturer.

You ask my suggestion in regard to supplying regularly Lecturers to each Lodge. I believe the best way to do this would be to add twenty-five or fifty cents to the annual amount paid on members to the Grand Lodge

by each Lodge and set this extra amount aside for the purpose of paying Lecturers to visit each Lodge for ten days each year, beginning first with the Lodges who have never had such services. This in my opinion would be worth more than anything we could do for the cause of Masonry in North Carolina. I find that the services of a Lecturer to a Lodge not only help them in a ritualistic way but help to give them the real conception of Masonry and bring each Lodge closer to the Grand Lodge, for without those services some of the Lodges feel that they are an organization separate and apart from the Grand Lodge.

The other six Lodges in this district not mentioned in this letter have all within the last two years had the services of a Grand Lecturer and are in very good shape, but it would not be amiss for some of them to have a Lecturer again soon.

With kind personal regards, I am,

Fraternally yours,

J. W. S. DAVIS,

D.D.G.M., Forty-third District
